

COUNCIL COMMUNICATION

From: The City Manager

Subject: Payment of McAfee Virusscan and Anti-Spyware Annual Maintenance and License Fee

Manager's Recommendation:

I recommend that a purchase order be issued to Trivalent Group in the amount of \$3,251.25 for the payment of the annual maintenance and license fees for McAfee Active Virusscan and Anti-Spyware for all City PC's and laptops.

This vendor meets all requirements of §14.23, "Vendors", of "Purchasing, Contracting and Selling Procedure," of Chapter 14, "Financing and Purchasing", of Title 1, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this purchase are budgeted and available in the Information Services Operating Services Account, No. 658-1720-711.80-05.

Justification:

The City received a proposal for the renewal of licenses and annual maintenance for anti-virus and anti-spyware software to protect the Citywide network for a period of one year. The original license purchase was covered under pricing for the State of Michigan. By purchasing through the State of Michigan's pricing structure, the City realizes a substantial savings over standard pricing of the software and maintenance. The total cost for this renewal is \$3,251.25.

Council Action:

Council _____ moved that the recommendation of the City Manager be approved.
