DATE: April 2, 2012

SUBJECT: Deficit Elimination Plan – Celebration Park Fund

Included in the Council Agenda for next Monday (April 9, 2012) is a resolution authorizing the Deficit Elimination Plan (DEP) for the Celebration Park Fund. According to MCL 141.921, if a local unit of government ends its fiscal year in a deficit condition, the local unit shall formulate and file a financial plan with the Department of Treasury. If approved by the Council, this resolution will satisfy that requirement once it is submitted to the State Department of Treasury. If a plan is not submitted, the state may withhold a portion of the city's revenue sharing payments. The deficit position of the Celebration Park Fund is noted in the 2011 audit on page 87.

The majority of the deficit fund balance is due to the funding mechanism utilized to construct the park. As you know, the park was built using grant funds as well as donations made to the city through the Community Foundation. The timeline for construction and development of the park was based upon the conditions of the primary grant from the DNR, therefore construction could not be delayed if those funds were to be utilized. Many of the donations, and some of the grants, were payable over multiple year periods – none of which exceeded four years. The City will receive \$683,854 in donations and grants over the next two years that will serve to reduce the deficit. The remaining portion of the deficit is related to other purchases and operating expenses at the park and will be covered through transfers from other funds.

Please note that operating costs for the park are expected to be between \$50,000 and \$60,000 annually, as is noted in the plan for 2013 and 2014 (\$54,074 and \$58,175). The city is planning to solicit additional donations to help meet the cost of operations to avoid or reduce annual transfers from other funds.

Please contact me with any questions.

As part of the agreement, Claimant has signed a release, releasing the City from any and all further liability on this claim.

Subject: FEMA, Assistance to Firefighters Grant
Prepared by: Sienna Rendon, Fire Administration

Manager’s Recommendation:

That the Federal Emergency Management Agency (FEMA) under the Assistance to Firefighters Grant (AFG) be approved in the amount of \$32,298 and the proceeds distributed.

With the approval of the grant award, it is also recommended that the 2012 Approved Budget for General Fund Revenue’s FEMA Account No. 101-0000-513.58-26 be increased from \$0 to \$32,298. This increase will be offset by an increase to Community Public Safety-Fire, Fire Suppression Division’s Parts and Supplies Account No. 101-3551-751.73-30 by the same amount. These monies will be utilized to purchase five (5) ISG Thermal Imaging Cameras.

Justification:

On February 9, 2012, Community Public Safety - Fire was notified that they were recipients for grant award from FEMA under the Assistance to Firefighters Grant (AFG) program for fire operations and firefighter safety.

Council Action:

Council _____ moved that the recommendation of the City Manager be approved, seconded by Council _____.

From: Darnell Earley, City Manager
Subject: ISG Thermal Imaging Cameras
Prepared by: Sienna Rendon, Fire Administration

Manager’s Recommendation:

I recommend a purchase order be approved and issued to Douglass Safety Systems of Sanford, MI, a sole source provider, in the amount of \$40,373 for the purchase of five (5) ISG Thermal Imaging Cameras. Funding for these cameras is through FEMA, Assistance to Firefighters Grant Act in the amount of \$32,298. The City is federally required to match 20% of the purchase price, which equals \$8,075.

This vendor meets all requirements of §14.23, “Vendors”, of “Purchasing, Contracting, and Selling Procedure,” of Chapter 14, “Finance and Purchasing, of “Title 1,”General Provisions” of the Saginaw Code of Ordinances O-1.

Funds are budgeted in the General Fund Community Public Safety-Fire, Fire Suppression Division’s, Parts and Supplies Account No. 101-3551-751.73-30.

Justification:

The two current thermal imaging cameras that the City owns were purchased in the mid-1990s and have become very unreliable. Battery replacement and repair costs due to their age, coupled with their outdated technology and increasing unreliability prompted the Community Public Safety – Fire to seek replacements. Over the last two years, extensive field tests were conducted on numerous different thermal camera models. The ISG Elite XR proved to be the best fit for city’s needs. Douglass Safety Systems is the sole provider for this purchase.

A council communication has been prepared and approved on a previous council agenda for the purchase of two (2) thermal imaging cameras in the amount of \$16,160.00. Since then, the CPS-Fire Department has learned that we are the recipients of the aforementioned FEMA-AFG grant. The 20% match on behalf of the City is \$8,750.00, which is just over half of the original expense of \$16,160.00. This is nearly a fifty-percent (50%) savings for three (3) additional cameras.

An increase to revenues will be offset by an increase to Saginaw TAPS Fund’s – Overtime Account No. 265-3325-741.70-10 by the same amount

Funds are budgeted in the General Fund Community Public Safety-Police, Police Patrol Division's, Professional Services Account No. 101-3511-721.80-01.

Justification:

On March 5, 2012, City Council approved the agreement between the City of Saginaw and SCPAO for the distribution of gambling proceeds obtained pursuant to a long term investigation. This is the budget adjustment to reflect the revenues and expenditures from this long term investigation.

Subject: Weed Abatement Lawn Mowing Services and Budget Adjustment

Prepared by: Phillip Karwat, Director of Public Services

Manager's Recommendation:

I recommend that a purchase order be approved and issued to E.L.I.T.E. Lawn Care, the low bidder, in the amount of \$80,000 for the Weed Abatement Lawn Mowing Services for a period from April 16, 2012 through October 31, 2012. It is also recommended that a budget adjustment be completed to increase the General Fund – Abatement of Nuisances Operating Services Account No. 101-7571-841.80-05 by \$27,000 from \$40,141 to \$67,141. The current budgeted revenue in the General Fund – Revenue Contribution, Saginaw County Account No. 101-0000-571.67-07, will offset the increase in expenditures for FY 2012. The City of Saginaw, through an agreement with the Saginaw County Land Bank, will receive \$80,000 per year for cutting Land Bank properties. These funds are to be allocated in the General Fund with \$27,000 in FY 2012 and \$53,000 in FY 2013.

This vendor meets all requirements of §14.23, "Vendors", of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing" of Title 1, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds are available in FY 2012 General Fund - Abatement of Nuisances Division's, Operating Services Account No. 101-7571-841.80-05 in the amount of \$27,000. Funds will also be made available in FY 2013 General Fund - Abatement of Nuisances Division's, Operating Services Account No. 101-7571-841.80-05 in the amount of \$53,000.

Justification:

From 2004 to 2011, the number of cuts performed by the Weed Abatement Program has increased by 640% from 1,192 in 2004 to 7,629 in 2011. The demands for weed abatement services in 2011 have exceeded the City's ability to provide the service. Currently, the Weed Abatement Program does not have enough tractors and staff to keep up with the increasing number of citywide weed cutting violations. This purchase order will continue to provide mowing equipment and operators to assist the Weed Abatement crews with cutting vacant lots and properties that are in violation of the City's Noxious Weeds Ordinance.

Following is a tabulation of the bids received:

E.L.I.T.E. Lawn Care Freeland, MI (out-city)	\$40.00 per hour

Justification:

On June 16, 2012, WKCQ - FM will host its annual WKCQ Country Music Festival Free Concert on Ojibway Island (Ojibway). WKCQ - FM will pay the City a flat fee of Seven Hundred Dollars and 00/100 (\$700.00) for the rental of Ojibway. This is the first year that WKCQ - FM will charge participants admission to the festival and sell alcoholic beverages.

Therefore, the parties have agreed that WKCQ - FM will pay the City a minimum service fee of Two Thousand Dollars and 00/100 (\$2,000.00) for ticket sales. In lieu of payment, one half of ticket sales in the amount of One Thousand Dollars and 00/100 (\$1,000.00) for the Country Music Fest Free Concert scheduled June 16, 2012 will be in-kind services. Moreover, WKCQ - FM will pay the City, fifty cents (\$0.50) per ticket for ticket sales over 500. Furthermore, WKCQ - FM must provide an insurance certificate and liquor liability license to the City because it plans to sell alcoholic beverages to participants.

Subject: WKCQ Country Music Fest Free Concert

Manager's Recommendation:

I recommend that Council consider a request by WKCQ for in-kind service, in lieu of payment, for one half of the special event fees for the Country Music Fest Free Concert scheduled for June 16, 2012 on Ojibway Island.

Justification:

On February 22, 2012, the Public Services Department received a special event application from WKCQ for the Country Music Fest Free Concert on June 16, 2012. WKCQ has requested that we extend payment terms of half cash and half in-kind advertising for payment of city services and facility use fees.

An Ordinance became effective on August 19, 2004 to add Chapter 99, "Special Events Regulations" to Title IX, General Regulations of the City of Saginaw Code of Ordinances O-1. Section §99.5 of this ordinance states that fees and insurance will not be waived under any circumstances. The fees would not be waived in this instance, but another form of payment would be accepted. The average amount of in-kind services to be provided to the City from WKCQ since 2006 has been approximately \$7,800. This year, \$9,000 is the estimated amount of in-kind services to be provided by WKCQ.

Subject: First Amendment for 2010-2011 CDBG-R Resurfacing Contract
Prepared by: Phillip J. Karwat, Director of Public Service

Manager’s Recommendation:

I recommend that the First Contract Amendment (“Amendment”) with Lois Kay Contracting Company (“Lois Kay”) for the 2010-2011 CDBG-R Resurfacing Project (11HO86) increasing the amount by \$21,179.26, be approved. I have approved the Amendment as to substance and the City Attorney as to form.

Funds for this increase are available in the Sewer Operation and Maintenance Fund – Maintenance and Service Division’s Repairs and Replacements Account No. 590-4821-861.97-20 in the amount of (\$13,033.26) and Water Operation and Maintenance Fund – Maintenance and Service Division’s Repairs and Replacements Account No. 591-4721-861.97-20 in the amount of (\$8,146.00).

Justification:

On October 11, 2010, City Council approved a contract for CDBG-R resurfacing with Lois Kay Contracting Company in the amount of \$476,789.83. During construction, contract change orders were issued in the amount of \$79,347.05 because of field conditions encountered and emergency road repairs that were made for the Water and Sewer Maintenance Division. These change orders increased the contract to \$556,136.88.

Additional work in the amount of \$21,179.26 was required to complete the project, bringing the final contract amount to \$577,316.14, an increase of 21% over the original contract amount. Subject: Back-Up Salt – ROW Division
Prepared by: Phillip Karwat – Director of Public Services

Manager’s Recommendation:

I recommend that the bid from North American Salt Company, Inc., Overland Park, KS, be accepted at the State bid price, and that a purchase order be approved and issued to them in the amount of \$78,708 for back-up road salt for FY 2012.

This vendor meets all requirements of §14.23, "Vendors", of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing" of Title 1, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this purchase are budgeted in the Major Streets Fund – Winter Maintenance Division’s Street and Road Materials Account No. 202-4655-841.73-40 (\$19,677.00), Local Streets Fund – Winter Maintenance Division’s Street and Road Materials Account No. 203-4655-841.73-40 (\$19,677.00), Major Streets Fund - State Winter Maintenance Division’s Street and Road Materials Account No. 202-4692-841.73-40 (\$39,354.00).

Justification:

On April 18, 1977, City Council approved a cooperative purchasing agreement with the State of Michigan, which allows the City to purchase material and equipment at State bid pricing. The City has used this agreement to purchase road salt for ice control in the past. An order for 2,000 tons of back-up salt was placed last fall. However, due to the mild winter, the City is purchasing only the minimum amount required, which is 70% of the back-up salt order or 1,400 tons of salt.

North American Salt Company of Overland Park, Kansas was the low bidder on the State bid, at \$56.22 per ton. This price per ton includes the salt, weighing and loading, handling and the truck freight charges. This is comparable to a price of \$56.34 per ton for the bulk shipment of 2,000 tons received in October 2011.

Brady's will provide all parts, labor, black toner, drums and unlimited service calls. They have a guaranteed 4-hour response time on all down equipment and will provide a loaner machine if equipment requires in shop repair.

Renewal of the Agreement with the original company is being sought because Brady's has been servicing the machines for seven (7) years and has the complete maintenance history.
