

Free Carbon Monoxide Alarm

For City of Saginaw Residents

To schedule an installation appointment call:

Saginaw Fire Department

(989) 759-1393

Through a FEMA Fire Prevention and Safety Grant, the Saginaw Fire Department can install one (1) 10-year sealed battery carbon monoxide alarm in your home.

Firefighters from your local fire station will install your carbon monoxide alarm by appointment at your convenience. Carbon Monoxide safety information will also be provided.

Low income households, homes with children, and homes with elderly persons are encouraged to participate in this program.
