## PRESS RELEASE

**FOR IMMEDIATE RELEASE**

From:  
Engineering Department  
1315 S. Washington Ave.  
Saginaw, MI 48601

### **2019 Cape Seal Project**

**April 17, 2019 – Saginaw, MI:** On Wednesday, April 24, 2019 from 4:30-6:00 p.m., the City of Saginaw will hold a public **Open House in City Hall Council Chambers at 1315 S. Washington Ave.** All residents, property owners, and business owners interested in the 2019 Cape Seal Project are invited to attend. The project engineers and City personnel will be available at the Open House to answer questions and discuss the displayed construction and traffic control plans.

Wednesday's Open House will give the public an opportunity to learn more about the project and communicate any concerns they may have regarding the project.

The 2019 Cape Seal Project is scheduled to begin May 13, 2019 with an expected project completion date of June 28, 2019.

- Work will include applying a crack treatment, chip seal, and micro-surface.
- Cape Seal surface treatments will be applied to the following streets:
  - South Mason Street (from Brockway Street to Court Street)
  - North Mason Street (from Court Street to West Remington Street)
  - West Michigan Avenue (from the west city limits to Joslin Street)

With an advance notice of 72 hours, accommodations can be made for persons with disabilities and/or limited speaking ability, persons needing auxiliary aids or services, interpreters, signers, readers, or large print. For special accommodations or additional information please contact Beth London: (989) 759-1410.
