2019 Mill & Resurface Project

April 25, 2019 – Saginaw, MI: On Thursday, May 2, 2019 from 4:30-6:00 p.m., the City of Saginaw will hold a public **Open House in City Hall Council Chambers at 1315 S. Washington Ave.** All residents, property owners, and business owners interested in the 2019 Mill & Resurface Project are invited to attend. The project engineers and City personnel will be available at the Open House to answer questions and discuss the displayed construction and traffic control plans.

Thursday's Open House will give the public an opportunity to learn more about the project and communicate any concerns they may have regarding the project.

The 2019 Mill and Resurface Project is scheduled to begin May 20, 2019, with an expected project completion date of July 12, 2019.

The 2019 Mill & Resurface project includes the following streets:

- North 5th Avenue from Wadsworth Avenue to Washington Avenue
- South Jefferson Avenue from Rust Avenue (M-46) to Remington Avenue (M-46)
- East Remington Avenue from Sheridan Avenue (M-46) to Owen Street
- Congress Avenue from Brenner Street to North Charles Street
- North Wheeler Street from Gratiot Avenue (M-46) to Brockway Street
- South Elm Street from Gratiot Avenue (M-46) to Brockway Street
- South Woodbridge Street from Gratiot (M-46) to Brockway Street
- West Genesee Avenue from North Carolina Street to Hanchett Street

With an advance notice of 72 hours, accommodations can be made for persons with disabilities and/or limited speaking ability, persons needing auxiliary aids or services, interpreters, signers, readers, or large print. For special accommodations or additional information please contact Greg Kray: (989) 759-1410.
