## PRESS RELEASE

**FOR IMMEDIATE RELEASE**

From:  
Engineering Department  
1315 S. Washington Ave.  
Saginaw, MI 48601

### **Mackinaw Street Reconstruction Project**

**March 12, 2019 – Saginaw, MI:** Today, Tuesday March 12, 2019 from 4:30-6:00 p.m., the City of Saginaw will hold a public **Open House in City Hall Council Chambers at 1315 S. Washington Ave.** All residents, property owners, and business owners interested in the Mackinaw Street Reconstruction Project are invited to attend. The project engineers and City personnel will be available at the Open House to answer questions and discuss the displayed construction and traffic control plans.

Today's Open House will give the public an opportunity to learn more about the project and communicate any concerns they may have regarding the project.

The Mackinaw Street Reconstruction Project is scheduled to begin May 1, 2019 with an expected project completion date of September 27, 2019.

- Work on Mackinaw Street between State Street and Congress Avenue will include roadway reconstruction with new curb and gutter, drive approaches, ADA sidewalk ramp construction, water main and water service replacement, and drainage improvements.
- The new roadway will have a three lane cross section that includes a center turn lane and no on-street parking.
