SCENIC NEIGHBORHOOD RECOGNITION AWARD PROGRAM RETURNS FOR 2019

May 23, 2019 SAGINAW, MI – The Saginaw Neighborhood Recognition Award program is back and better than ever! After last year's overwhelming success and tremendous amount of nominations, we are looking forward to even more beautiful lawns and landscaping for 2019. This year, the awards will recognize exceptional yardwork and acknowledge those residents that help make Saginaw beautiful.

The Neighborhood Recognition Awards are intended to thank those residents and business owners who take pride in their properties and care about the look of their neighborhood. Residents, Neighborhood Groups, and City of Saginaw employees can nominate local homes and businesses for exceptional yardwork and landscaping improvements. One award from each Neighborhood Quadrant will be selected for June, July, and August. Monthly winners will be notified by the City of Saginaw S.C.E.N.I.C. Division. Monthly winners will receive a recognition certificate and a yard sign to display in their yard. One grand prize winner will be chosen from the monthly winners and announced at the October Neighborhood Association Action Group

meeting. The grand prize winner will win a grand prize gift basket and a recognition certificate. To learn more about your Neighborhood Quadrant or the Neighborhood Association meetings, click here www.saginaw-mi.com/residents/neighborhoodassociations/

“The idea behind the contest is to recognize those properties that are well-maintained and a bright spot in their neighborhoods. When SCENIC is out dealing with neglected properties, it’s nice to see the neighboring properties that stand out in a positive way. We want to say ‘thank you’ to those residents that are really going above and beyond to take care of their yard. We want these citizens to know that their efforts are not going unnoticed. It not only builds pride in your neighborhood, but unity between neighbors. It means so much when one neighbor recognizes another for their hard work and efforts.” Scott Nizinski, SCENIC Code Enforcement Inspector.
