CITY CLERK

From: Timothy Morales, City Manager
Subject: 2015/2016 January/February Budget Adjustment
Prepared by: Yolanda M. Jones, Office of Management and Budget

Manager's Recommendation:

It is recommended that the 2015/2016 Approved Budget for the listed funds be amended. This adjustment is required to recognize any errors, omissions, or changes that have occurred during the month of January/February.

Justification:

The 2015/2016 annual budget will be adjusted in accordance with Public Act 2 of 1968, Uniform Budgeting and Accounting Act, the City Charter; and the approved 2015 Budget Resolution, which states that the City Manager must provide budget adjustments to City Council quarterly and/or as needed. As a result of the City Manager's January/February analysis, the below-mentioned budget adjustments take into consideration any errors, omissions, or changes in the funding levels and expenditures approved by City Council as prescribed by the City Charter.

The General Fund (101) should be increased from \$31,154,926 to \$31,168,695. This represents a net increase of \$13,769. This increase is represented by the following budgetary changes:

- During FY 2015, the Department of Public Services – Engineering Division completed the Department of Veteran's Affairs Parking lot project. The Engineering division is in the process of closing out this project and needs to issue the final payment to Rohde Brothers Excavating, Inc. in the amount of \$2,710. This adjustment will recognize the final amount of the funds issued by the Department of Veteran's Affairs
- During the month of January, Community Public Safety- Police received several payments for Bullet Proof Vests Grant. This adjustment recognizes the purchase of these vests from the Community Public Safety – Police, Police Building Management Division's Clothing Supplies Account No (101-3514-728.000) in the amount of \$3,390. This expenditure will be offset by an increase to the General Fund Revenues' Other Federal Grant Account No. (101-0000-501.027) by the same amount.
- It is recommended that a budget adjustment be completed to increase the General Fund Revenues' Fire Department – Cost Recoveries Account No (101-0000-628.002) by \$7,669. These additional revenues received from services provided by the Community Public Safety – Fire for utilities services. The

increased revenues will be offset by a similar increase to the Community Public Safety – Fire – Fire Operations Operating Services Account (101-3551-805.000) by the same amount.

- With the adoption of the 2015/2016 budget, city council approved the appropriation of \$4,032 for standby pay in the Community Policing Fund. These funds will not be utilized. Community Public Safety – Police will utilize these funds instead in the General Fund. Therefore a budget adjustment should be completed to increase the Community Public Safety – Police, Police Investigation Division’s Standby Pay Account No (101-3513-707.000) by \$4,032. This increase in expenditures will be offset by a reduction, in the same amount, in the Other General Fund Expenditures – Operating Transfers Out – Police Grant Local Match’s Account No (101-9660-999.004) by the same amount for funds are allocated to the Community Policing Fund from the General Fund.

The Community Policing Fund (260) should be decreased \$4,032, from \$546,307 to \$542,275. This reduction in Community Policing Fund Standby Pay Account No (260-3320-707.000) is due to a reallocation of funds to the General Fund Community Public Safety – Police, Police Investigation Division. With this reduction in expenditures, the Community Policing Fund Revenues’ General Fund Operating Transfer In Account No (260-3320-707.000) should be decreased by the same.

The Drug Forfeiture Fund (264) should be increased from \$137,956 to \$146,473. This is an increase of \$8,517. This increase is primarily associated reimbursements for the sale of property items (\$1,517) and LexisNexis for software maintenance fees of (\$7,000). Funds will be recognized in the Drug Forfeitures Fund Revenues’ Reimbursement Account No (264-0000-676.000). To offset the increase in revenues will be an increase to Drug Forfeiture Fund’s Parts and Supplies Account No. (264-3040-742.000) by the same amount.

The Motor Pool Operations Fund (661) should be increased from \$1,791,492 to \$1,967,517. This is an increase of \$176,025. This increase is largely due to the omission of additional funds that were built into the user department’s approved budget but were not recognized until a recent budget to actual meeting. Additionally, the department has been utilizing Govdeals to clean up inventory. This budget adjustment will recognize the unrealized revenues. These additional funds will be recognized in the Motor Pool Operation Fund Sale of Property Items Account No (661-0000-673.003) \$31,414 and Contribution from Other Funds Account No (661-0000-675.000) \$144,611. The increase in revenues will be offset by an increase to expenditures in the Garage Operation Division’s Motor Vehicle Repairs Account No (661-4481-737.000).

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

From: Timothy Morales, City Manager
Subject: 2016 Single Lot Special Assessment Tax Roll
Prepared by: Janet Santos, City Clerk

Manager's Recommendation:

It is recommended that Council consideration be given to the responses provided for all objections received prior to the closing of the public hearing held on February 22, 2016 and that the recommendations be approved and Council consider the resolution confirming the 2016 Single Lot Special Assessment Tax Roll.

Justification:

City Council conducted a public hearing on February 22, 2016 on the Single Lot Special Assessment Tax Roll for: Sewer Connections, Water Connections, Nuisances of Trash Removal/Weed Cutting/Board-Ups/Junk Vehicles, Fire False Alarms, and Police False Alarms. Notice of the hearing was mailed to approximately 379 owners of property affected by the assessments as shown on the City Assessor records. These assessments represent fees and expenses incurred by the City for improvements constructed, false alarms, alarm system registration, and for abatement of nuisances of which expenses are charged against individual properties.

The recommendation of the City Manager is based upon review of the appropriate department research and response. A recap of the written objections filed with the City Clerk's Office and the oral objections presented to City Council up to the close of the public hearing is as follows:

Written objections received and filed with the City Clerk for Council consideration

<u>Tax Roll #</u>	<u>Property</u>	<u>Property Owner</u>	<u>Fee Due</u>	<u>Code</u>
19 0891 00000	2045 Vermont St	Daniel & Penny Beierschmitt	\$280.67	Board-Up

Objection: Claims that the property was surrendered as part of a bankruptcy that was discharged in October 2010 and that the City was contacted about the matter.

Department Reply: Assessor's office does not have any record of bankruptcy and they are the current property owners.

Recommendation: The single lot special assessment should remain on the tax roll.

<u>Tax Roll #</u>	<u>Property</u>	<u>Property Owner</u>	<u>Fee Due</u>	<u>Code</u>
18 1046 00000	107 Lee St	City of Saginaw	\$164.79	Board-Up

Objection: The City is exempt of property taxes and fees for property it owns.

Department Reply: City ordered the Board Up and the invoice has been paid.

Recommendation: The single lot special assessments should be removed from the tax roll.

<u>Tax Roll #</u>	<u>Property</u>	<u>Property Owner</u>	<u>Fee Due</u>	<u>Code</u>
19 0989 00000	2112 Emerick St	Placido & Molly Silva	\$92.66	Trash

Objection: On April 29 they received a 72-hour notice dated April 27. Unfair notification deadline.

Department Reply: Notice posted on property on April 27 and mailed the same day.

Recommendation: The single lot special assessment should remain on the tax roll.

<u>Tax Roll #</u>	<u>Property</u>	<u>Property Owner</u>	<u>Fee Due</u>	<u>Code</u>
18 0550 00000	408 Ardussi	Anthony Crachiola	\$44.75	Trash

Objection: Fee is for previous owners. He did not gain occupancy until February 28, 2015, which was after the violation had been corrected.

Department Reply: Violation not applicable to new owner.

Recommendation: The single lot special assessment should be removed from the tax roll.

<u>Tax Roll #</u>	<u>Property</u>	<u>Property Owner</u>	<u>Fee Due</u>	<u>Code</u>
14 1088 00000	1813 Delaware St	John Hudson	\$44.75	Trash

Objection: Items were tagged for too many carpet rolls. Contacted Waste Management and the City and told one carpet roll per week was allowed.

Department Reply: Items cannot remain on curb until next trash pickup.

Recommendation: The single lot special assessment should remain on the tax roll.

<u>Tax Roll #</u>	<u>Property</u>	<u>Property Owner</u>	<u>Fee Due</u>	<u>Code</u>
15 0363 00000	607 N Porter St	Tiffanie Vanhollan	\$44.75	Trash

Objection: Claims she moved the leaves and that her regular trash was picked up.

Department Reply: Violation sited for yard waste not trash.

Recommendation: The single lot special assessment should be removed from the tax roll.

<u>Tax Roll #</u>	<u>Property</u>	<u>Property Owner</u>	<u>Fee Due</u>	<u>Code</u>
21 0009 00000	4034 Fulton	Stacy E. Oakes	\$44.75	Trash

Objection: Property is vacant and no trash is set out. Property at 4030 Fulton had trash at curb for over a week.

Department Reply: Vacant property. Items were at property next door.

Recommendation: The single lot special assessment should be removed from the tax roll.

<u>Tax Roll #</u>	<u>Property</u>	<u>Property Owner</u>	<u>Fee Due</u>	<u>Code</u>
21 4244 00000	3322 Webber St	Eddie Gaiter, Jr.	\$44.75	Trash

Objection: Claims carpet and wall panels were tagged. He removed the items the next day and disposed of them at the City Waste Convenience Center.

Department Reply: City removed the Carpet and walls panels on December 8, 2014.

Recommendation: The single lot special assessment should remain on the tax roll.

From: Timothy Morales, City Manager
Subject: Milestone Video Management Software Purchase
Prepared by: Jeff Klopocic, Technical Services Department

Manager’s Recommendation:

I recommend that a purchase order be approved and issued to the low bidder Asset Protection Specialists (Freeland, MI), in the amount of \$2,223.75 for the purchase of Milestone Enterprise Video Management Software.

Justification:

The City’s Police Department has 36 video surveillance cameras located in two geographic regions within the City of Saginaw. Currently the cameras send the video recordings to the RAPTOR center located at Celebration Park for storage and viewing. The Technical Service Department recently built a virtual server dedicated for the storage and retrieval of the surveillance video. The Milestone Enterprise Management software will allow the video to be routed through the City’s fiber optics back to the virtual server located in City Hall. With the video residing in the City’s server room, we will now be able to store a larger amount of video for a longer time period.

	<u>Total</u>
Asset Protection Specialists Freeland, MI	\$2,223.75
AREN Protection Services Los Angeles, CA	\$9,928.25
Securecom Midland, MI	\$10,376.00

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this purchase are budgeted and available in the Technical Services, Information Services, Computer Software, Account No. 658-1720-741.000.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

From: Tim Morales, City Manager
Subject: Donation of Rescue Boat Light Bar from Burt Watson Chevrolet
Prepared by: Christopher Van Loo, Fire Chief

Manager’s Recommendation:

I recommend the acceptance and approval of the donation of a light bar for the Fire Department’s rescue boat from Burt Watson Chevrolet, Freeland, MI. This light bar is valued at \$2,570.00 and it will be added to the Fire Department’s rescue boat to improve nighttime water rescue and recovery operations.

Justification:

Wanting to improve firefighter safety and enhance water rescue operations on the Saginaw River and the Saginaw area, Burt Watson Chevrolet of Freeland, MI, has graciously offered to purchase and provide a light bar for the Fire Department’s rescue boat. The light bar which includes; a red overhead warning light, two side mounted LED search lights, and all required mounting hardware will significantly improve nighttime and low-visibility rescue operations on the Saginaw River. Water rescue operations are inherently challenging in normal daylight conditions, nighttime operations present additional challenges due to limited visibility. The light bar, which is constructed of aluminum and mounts directly to the boat is designed to be light weight and easily removable to allow valuable flexibility for the firefighters responding to and operating on the water. The addition of this light bar to the fire department’s rescue boat will enhance water rescue capabilities and improve firefighter safety by providing valuable scene lighting during nighttime and low-visibility emergency operations on the river.

The City Attorney has reviewed the donation, and commented that State law allows a city to accept any gift of real or personal property. MCL 123.871 provides: “Any city, village, township, or county may receive, own, and enjoy any gift of real or personal property, made by grant, devise, bequest, or in any other manner, for public parks, grounds, cemeteries, public buildings, or other public purposes, whether made directly or in trust, subject to the conditions, limitations, and requirements provided in the grant, devise, bequest, or other instrument.”

Subject: M & R Electronics Blanket PO Increase
Prepared by: Christopher Van Loo, Fire Chief

Manager's Recommendation:

It is recommended that the blanket purchase order to M&R Electronics, Saginaw Twp., MI, be increased by \$3,800 for a total of \$13,800 for electrical system maintenance and emergency repairs to meet the needs of the department's six pumpers, two aerial apparatus, and Staff emergency response vehicles.

Justification:

On July 6, 2015, City Council approved purchase order # 496894 to M&R Electronics for \$10,000. The additional funds requested in M&R Electronics' blanket purchase order are the result of additional services that they will provide to outfit our new Battalion Chief / Command Vehicle for service as well as continued electrical and warning device repairs for our fleet.

Outside vendor services are used to mechanically maintain and repair the Saginaw Fire Department fleet. M&R Electronics possesses the expertise necessary for fire apparatus emergency lighting and electrical systems repairs. They are a local company that has the ability to provide timely emergency repairs and maintenance of the Fire Department's apparatus' emergency warning and electrical systems.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds are budgeted and available in the Community Public Safety – Fire, Fire Apparatus and Maintenance Division's Motor Vehicle Repairs Account No. 101 3554 931.000.

Subject: Ratification of Emergency Repairs to Engine 1
Prepared by: Christopher Van Loo, Fire Chief

Manager's Recommendation:

I recommend the ratification of emergency repairs and that a purchase order is issued to Apollo Fire Apparatus of Romeo, Michigan in the amount of \$12,386.45 for emergency brake and chassis repairs to Engine 1. The bid process was not utilized for these repairs due to the emergency nature of these repairs and the specialized nature of the work performed by Apollo Fire Apparatus.

Justification:

On February 2, 2016 the on-duty Engineer assigned to E-1 reported problems with the brakes on Engine 1. Engine 1 was removed from service for safety and a technician from Apollo Fire Apparatus performed a preliminary inspection of the apparatus at Station 1. It was determined that the apparatus could not be driven and had to be transported by wrecker to Apollo Fire Apparatus' northern workshop in Thomas Twp., MI. After a thorough inspection, which was witnessed by a fire department representative, a multitude of needed repairs to the apparatus' braking system were identified. The brake system repairs included replacing the front rotors and pads, the replacement of 4 air brake supply lines, and the replacement of 4 brake chambers. In addition to the brake system repairs, several chassis related issues were also discovered that required immediate attention. Some of the chassis items included defective rear motor mounts, defective transmission support hanger bushings, an inoperable rear air bag controller, and a worn steering assist cylinder. The repairs needed for Engine 1 are the result of the age of the apparatus, the condition of the roads, and the number of emergency calls it responds to. Engine 1 is a 1997 Spartan pumper that has been in frontline service for over 19 years.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this repair are budgeted for and available in the Community Public Safety - Fire, Fire Apparatus Operations and Maintenance, Motor Vehicle Repairs, Account No 101-3554-931.000.

Subject: Axon 2 Body Cameras
Prepared by: Sienna Rendon, Community Public Safety – Police

Manager’s Recommendation:

It is recommended that a purchase order be issued to TASER International of Scottsdale, Arizona, a sole source, in the amount of \$4,045.86 for the purchase of ten (10) Axon 2 Body Camera Systems.

Justification:

The Saginaw Police Department purchased twelve (12) Axon Body Cameras in February 2015 and they have been worn and tested by all sworn personnel over the past year. Purchasing an additional ten (10) body cameras, for a total of twenty-two (22), will ensure that all on-duty police officers are properly equipped. Cameras take eight hours to fully charge and to download all data so while half of the cameras are being charged, the other half are in use by officers on the road. The Axon 2 camera systems are compatible with our current software for data storage. Wearing body cameras allows for more thorough information sharing, on-scene security and protection. In order to remain consistent with the equipment that is currently being used, TASER International is the recommended vendor and a sole source provider.

This vendor meets all requirements of §14.23, “Vendors,” of “Purchasing, Contracting, and Selling Procedure,” of Chapter 14, “Finance and Purchasing,” of Title I, “General Provisions” of the Saginaw Code of Ordinances O-1.

Funds for this purchase are available in the Community Public Safety - Police– Police Technical Services Division’s Capital Outlay Less Than \$5,000 Account No. 101-3515-971.000.

COUNCIL COMMUNICATION **REVISED CC- 11**

From: Timothy Morales, City Manager
Subject: Natural Gas Choice Program
Prepared by: Phillip Karwat, Director of Public Services

Manager's Recommendation:

I recommend the contract with Interstate Gas Supply, Inc. (IGS) be approved to provide natural gas for a period of three years, from April 1, 2016 through March 31, 2017 at a fixed rate of \$2.69 per thousand cubic feet (Mcf); and at a fixed rate of \$3.15 per Mcf from April 1, 2017 through March 31, 2018; and at a fixed rate of \$3.28 per Mcf from April 1, 2018 through March 31, 2019. The fixed rate will apply to 45 service accounts for City facilities utilizing natural gas.

The contract has been approved by me as to substance and the City Attorney as to form. It is also recommended that City Council authorize the City Manager or his designee to execute all related documents.

Justification:

In early February 2016, quotes were received for the City's natural gas needs. The Michigan Public Service Commission and Consumers Energy allow natural gas customers to select third party gas suppliers in lieu of Consumers Energy as a gas provider. The Natural Gas Choice program will allow customers to select a licensed gas supplier in Consumers Energy's service territory to purchase natural gas and utilize Consumers Energy's infrastructure and metering system to deliver and meter natural gas. Delivery and meter billing charges assessed by Consumers Energy still apply.

In an effort to minimize City expenditures related to natural gas prices, the City received quotes from two licensed natural gas providers in the Consumers Energy service territory for natural gas for 45 service accounts for municipal buildings. The City of Saginaw on average uses 43,000 Mcf per year. One Mcf unit is equivalent to 1000 cubic feet. A low fixed price of \$2.69 per Mcf from April 1, 2016 to March 31, 2017, \$3.15 per Mcf from April 1, 2017 to March 31, 2018 and \$3.28 per Mcf from April 1, 2018 to March 31, 2019 was received from Interstate Gas Supply, Inc. In comparison, Consumers Energy's current variable gas cost recovery fee is \$3.1981 per Mcf. Accepting the low quote from IGS may result in annual savings and reduce risks related to fluctuating monthly gas recovery charges as it relates to Consumer Energy ability to request rate increases with the Michigan Public Service Commission. The City began using the natural gas choice program in June 2012 and to date estimates its overall savings greater than \$43,000.

Two companies provided quotes to provide the City's natural gas. The City's Purchasing Committee reviewed the quotes and recommended IGS to provide the

COUNCIL COMMUNICATION **REVISED CC- 11**

service at their low bid price. However, it must be understood we are dealing with a very volatile market where pricing may change several times a day and the bidders cannot lock in their prices until a contract or purchase order is approved, guaranteeing them a contract. Therefore, we recommend approval of the lowest bidder at the time of the final inquiry, which will allow the City to take advantage of the best possible pricing over the next fiscal year. Quotes will again be obtained from bidders by noon on March 14th, and an updated communication will be presented to Council. The following is a tabulation of the quotes received:

<u>Company</u>	<u>Cost per Mcf (4-16 to 3-17)</u>	<u>Cost per Mcf (4-17 to 3-18)</u>	<u>Cost per Mcf (4-18 to 3-19)</u>
Interstate Gas Supply, Inc. Dublin, Ohio	\$2.69	\$3.15	\$3.28
Constellation Energy Gas Choice, Inc. Fort Gratiot, Michigan	\$2.89	\$3.15	\$3.25

Interstate Gas Supply, Inc. meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedures," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Natural gas services are paid for separately from each division's operating service accounts. Therefore, each division's funds may realize savings generated by the reduction in operating expenses.

Subject: Authorization to Allow the Sale of Alcoholic Beverages on Ojibway Island

Prepared by: Evelyn McGovern, Public Services Department

Manager's Recommendation:

I recommend adoption of the attached Resolution authorizing the consumption and sale of alcoholic beverages on Ojibway Island, a public property, during the annual WKCQ Country Music Fest Free Concert to be held on June 18, 2016.

Justification:

On June 18, 2016, MacDonald Broadcasting Company WKCQ-FM (WKCQ) will host its annual Country Music Fest Free Concert on Ojibway Island, a public property. WKCQ has requested that the City allow for alcoholic beverages to be served to participants for consumption during this event. Title XIII, Chapter 132, Section 132.01(C) of the Saginaw Code of Ordinances states that City Council can authorize the consumption and sale of alcoholic beverages on public property, if the vendor provides the following to the City:

- (1) The precise location where said beverages are to be sold and consumed;
- (2) The dates and times for said activities;
- (3) A proper state license for the sale and consumption of alcoholic beverages at the place and times listed in subsections (1) and (2) above;
- (4) Adequate public liability and property damage insurance for the benefit of the City with a company licensed to sell insurance in the State of Michigan;
- (5) Such other insurance as the City Council deems adequate for the benefit of the City;
- (6) Adequate personnel to control the premises where the alcoholic beverages are to be sold and consumed; and
- (7) Such other reasonable requirements as said City Council deems appropriate.

Approval to sell alcoholic beverages for this event is contingent upon the applicable vendors providing the proper required documents to the appropriate City department by June 3, 2016. The City has set the insurance requirements and all insurance certificates must be reviewed and approved by the City. Furthermore, the vendor has been advised of the insurance requirements and the deadline for submitting insurance certificates to the City.

RESOLUTION TO PERMIT THE SALE OF ALCOHOLIC BEVERAGES ON OJIBWAY ISLAND

Moved by Council Member _____, seconded by Council Member _____ to adopt the following resolution:

WHEREAS, the MacDonald Broadcasting Company WKCQ-FM plans to host its annual festival at Ojibway Island on June 18, 2016; and

WHEREAS, the MacDonald Broadcasting Company WKCQ-FM requests that they be allowed to sell alcoholic beverages to participants for consumption at Ojibway Island on public property; and

WHEREAS, City Council can provide authorization for the consumption and sale of alcoholic beverages on public property; and

WHEREAS, MacDonald Broadcasting Company WKCQ-FM must provide certain documents prior to the event; and

WHEREAS, if MacDonald Broadcasting Company WKCQ-FM does not provide the documents by the stated date, they will not be allowed to sell alcoholic beverages for consumption during the event on June 18, 2016; and

WHEREAS, the City will set all insurance requirements and all insurance certificates must be reviewed and approved by the City;

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Saginaw hereby authorizes the consumption and sale of alcoholic beverages on public property during the annual WKCQ Country Music Fest Free Concert to be held on June 18, 2016 at Ojibway Island, provided that the mandatory information listed in Title XIII, Section 132.01(C) of the Saginaw Code of Ordinances be provided no later than June 3, 2016.

Subject: MacDonald Broadcasting Company – In-Kind Service
Prepared by: Evelyn McGovern, Public Services Department

Manager’s Recommendation:

I recommend approval of the request by WKCQ for in-kind service, in lieu of payment, for one-half of the special event fees for the Country Music Fest scheduled for June 18, 2016 on Ojibway Island.

Justification:

On February 2, 2016, the Public Services Department received a special event application from WKCQ for the annual WKCQ Country Music Fest to be held on June 18, 2016. WKCQ has requested that we extend payment terms of half cash and half in-kind advertising for payment of City services and facility use fees.

An Ordinance became effective on August 19, 2004 to add Chapter 99, “Special Events Regulations” to Title IX, General Regulations of the City of Saginaw Code of Ordinances O-1. Section §99.5 of this ordinance states that fees and insurance will not be waived under any circumstances. The fees would not be waived in this instance, but another form of payment would be accepted.

Last year’s actual cost for services totaled \$18,974.96, of which in-kind services totaled \$9,487.48. In 2015, the City utilized \$26,878.00 of advertisement from MacDonald Broadcasting Company. The current remaining balance of in-kind services from McDonald Broadcasting Company WKCQ – FM totals \$22,204.89.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation of the City Manager.

Subject: MacDonald Broadcasting Company WKCQ–FM Island User Agreement

Prepared by: Evelyn McGovern, Public Services Department

Manager’s Recommendation:

I recommend approval of the Ojibway Island User Agreement with MacDonald Broadcasting Company WKCQ-FM for the Country Music Fest scheduled for June 18, 2016 on Ojibway Island. The Agreement is approved by me as to substance and the City Attorney as to form.

Justification:

On June 18, 2016, WKCQ will host its annual WKCQ Country Music Festival Free Concert on Ojibway Island. WKCQ will pay the City a flat fee of \$700 for the rental of Ojibway. This is the fifth year that WKCQ-FM will charge a limited number of participants for tickets to a special seating area at the festival and sell alcoholic beverages.

Therefore, the parties have agreed that WKCQ will pay the City a minimum service fee of \$2,000. In lieu of payment, one-half of the service fees will be in-kind services. Moreover, WKCQ will pay the City, fifty cents (\$0.50) per ticket for ticket sales over 500, of which one-half of total sales will be applied to City in-kind services. Furthermore, WKCQ must provide an insurance certificate and liquor liability license to the City. WKCQ must provide a liquor liability license to the City because it plans to sell alcoholic beverages to participants.

Subject: Human Planning Commission Ordinance Amendment

Prepared By: Leticia C. Trevino, Community Development Block Grant Specialist

Manager's Recommendation:

An Ordinance is listed for introduction under the regular order of business, which amends §12.33 "Saginaw Human Planning Commission" of Chapter 12, "Boards and Commissions" of Title 1, "Administrative Code" of the Saginaw Code of Ordinances.

Justification:

This amendment is making significant changes to how the Human Planning Commission members are seated and the geographical locations that they will represent and serve. Any reference to polling locations or voting precincts have been eliminated in their entirety and a new geographical map was created to reflect the new Human Planning Commission Districts. In addition, the names of the Districts have been changed from Neighborhood Representatives to Neighborhood District Representatives. We have moved from twenty (20) Districts to twenty-one and each of the twenty-one districts provides fair representation of all citizens of the City of Saginaw. The last term change is from Neighborhood Districts to Human Planning Commission Districts. Each change referenced in this communication is clearly reflected in the strikethrough version of the ordinance.

Council Action:

This communication is for explanation purposes only for the separate ordinance to be introduced.

**SUPPORT OF RESTORING SNAP FOOD BENEFITS TO PERSONS
AFFECTED BY MICHIGAN'S DECISION TO DISCONTINUE A BENEFITS STREAMLINING
PROGRAM KNOWN AS "HEAT & EAT"**

Moved by Council Member _____, seconded by Council Member _____ to adopt the following resolution:

WHEREAS: food is necessary for survival; and as leaders of the community we have an obligation to bring to the attention of state lawmakers that older adults and people with disabilities in Michigan and throughout our community are in need of adequate public assistance to meet their nutritional needs; and

WHEREAS: following passage of the 2014 Federal Farm Bill, the State of Michigan reduced SNAP Bridge Card benefits for older adults and people with disabilities resulting in some who are subsisting on \$16 a month for food because they live in a housing complex where "heat is included in the rent;" and

WHEREAS: Michigan could restore SNAP by updating a benefits streamlining program known as "Heat & Eat" to increase the state's contribution of utility assistance from \$1 a year to the new federal requirement of \$20 a year to persons in need of both SNAP food benefits and utility assistance; and

WHEREAS: a remedy exists to repair this; and we are one of four states that have not repaired the public safety net for older adults and people with disabilities; and

WHEREAS: City of Saginaw Council members are concerned about the health and welfare of all residents, especially those most vulnerable.

NOW, THEREFORE BE IT RESOLVED, that the City of Saginaw Council members, urge State government officials to update the benefits streamlining program known as "Heat & Eat" or take other action to ensure that impoverished older adults and persons with disabilities are able to secure adequate food.

BE IT FURTHER RESOLVED, advocates are encouraged to contact their state representatives and senators to raise awareness of this important issue.

CITY OF SAGINAW

Memo

To: Timothy Morales, City Manager
From: Phillip J. Karwat, P.E., Director of Public Services
Cc: Beth D. London, P.E., City Engineer
Date: March 9, 2016
RE: Saginaw County Road and Street Millage Survey

This memo is being written for explanation purposes for an item being brought to Council attention as it relates to a possible County wide street millage proposal in 2016.

Beginning sometime in calendar year 2015, discussions, conversations and ultimately meetings were taking place by representatives from the Saginaw County Road Commission and other local Townships, Cities and Villages to determine, based on road funding needs if we should seek a special road millage. As part of this process, the "Saginaw County Road Millage Committee" (Committee) was formed, and is comprised of the following members: Veronica Horn, Tom Mayan Sr., Rob Grose, Richard Crannell, Phillip Karwat, Tim Hildner, Marc McGill, Mike Hanley, Dennis Kraft, Dennis Borchard, Joe Wisniewski and Mike Girard.

The members of the Committee have been meeting for the past several months to determine what actions are needed to improve our local roads and streets. By estimate it will take well over \$400 million to get Local County and city roads up to average condition. With limited local road dollars available through the current Public Act 51 funding these streets will continue to see further deterioration and little or no resurfacing of local streets. One possible solution from the Committee, to assist in minimizing further deterioration of the local streets and possible annual resurfacing of local streets is a County wide millage. At this time the millage would be in the form of 2 mils, 5-year and placed on the August 2016 ballot. It is estimated that the 2 mils would generate on average nearly \$10 million in funds annually (county wide), dedicated solely to local roads and street improvements. Of this \$10 million it is estimated that nearly \$780,000 would go towards the City streets.

The Committee understands that it may receive mixed opinions and feelings of support from local Townships, Cities and Villages, and therefore prior to moving forward with steps to get a local road millage on the August 2015 ballot is looking for a response to a survey in order to determine if there is sufficient support from a majority of local government entities.

The specific request of the Survey is "Should Saginaw County Board of Commissioners consider placing a 2 mil request on the ballot for either the August Primary or November General Election for 5 years, where all collected funds will be provided back to all local municipalities (Townships, Cities and Villages) towards road improvements of their choice? Please see survey request. Once survey results are received by all local governments they will be reviewed by the Committee members and a determination to proceed will be determined based on these results.

To All Saginaw County Municipalities

The members of the Saginaw County Road Millage Steering Committee have been meeting the past several months to determine what actions are needed to improve our local roads and streets. The following observations are provided to you, along with request to consider supporting county wide efforts, in the form of 2 mils to be placed on the August 2016 ballot for voters to determine their conviction to improve our roads.

Collectively we have waited to see whether the State's recently passed bill will be sufficient to help in our cause. Unfortunately, under directives of Public Act 51, which governs how funds are to be allocated, there are very limited funds available to help with the local system.

To summarize our findings, which are expanded in the attached notes, we are convinced the only way to generate needed funding is by way of a 2 mil, county wide assessment, creating nearly \$10 million in funds dedicated solely to local road and street improvements.

By best estimate, it will take over \$400 million to get local county roads up to average condition. As you can imagine, the request for 2 mils will get us started, but will still leave a shortage, which must be explained clearly to our voters. To accomplish this lofty goal, a 20 year millage would be a great accomplishment, but unlikely to be approved by our constituents, hence the consideration for 5 years, with hope for continuous renewal every 5 years.

Funds would be collected by the County Treasurer, and then divided by SEV, as directed in the act, which was in place before the Headlee Amendment created taxable value, the current basis of tax assessment. The enclosed comparison of taxable vs. SEV will help you to see how your jurisdiction will benefit, as all funds collected in your community are retained by you. Collection costs are negligible, as other assessments are already collected by the county.

You and your board/council are asked now to respond to our enclosed survey, in order to determine if there is sufficient support from a majority of local government entities to proceed with consideration. Please review and call any one of the committee members for further clarification, or if you would like representation at your next meeting. Our goal is to have survey results collected by end of February 2016, to be then considered by the County Board at its March 15, 2016 meeting.

Thank you for your consideration in this important endeavor toward improving the local road and streets of Saginaw County. Your support is crucial to making us all better communities.

SAGINAW COUNTY ROAD & STREET MILLAGE SURVEY

Should Saginaw County Board of Commissioners consider placing a 2 mil request on the ballot for either the August Primary or November General Election for 5 Years, where all collected funds will be provided back to all local municipalities (Townships, Cities & Villages) toward road improvements of their choice?

_____ A. Yes, our local government unit is in need of funds dedicated to local road/street improvement.

_____ B. Yes, we generally agree there is a need to raise funds to improve local roads & streets, with the following suggestions to include in the ballot:

_____ C. No, we are not in favor of the county placing this on any ballot.

Please forward survey responses through any of the following:
