From: Timothy Morales, City Manager
Subject: I.T.I., Inc., Phone Maintenance Agreements
Prepared by: Jeff Klopocic, Technical Services Department

Manager's Recommendation:

I recommend the approval of telephone agreements with I.T.I., Inc. for \$20,883.91 for the yearly maintenance and support fees for the City's digital and Internet Protocol phone system.

Justification:

The I.T.I. Agreements cover the telephone equipment located at the City Hall, Public Services, Police Department, Maintenance & Service Water & Sewer Division and the Water and Waste Water Treatment Plants for a one-year period. The agreements cover all service under normal wear and tear including parts, labor and travel time. It also includes free user training, no charge for service related software updates, free loaner equipment and 24 hour, seven day service without paying any after-hour premium.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds are budgeted in the Technical Services Fund – Information Services, Operating Services Account No. 658-1720-805.000.

I have approved the agreements as to substance and the City Attorney approves as to form.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: STARS Parking Agreement
Prepared by: John Stemple, Director of Neighborhood Services

Manager's Recommendation:

I recommend approval of an agreement with Saginaw Transit Authority and Regional Services for the use of the City owned parking lot located at 200 N. Weadock.

Justification:

The City of Saginaw was approached by Saginaw Transit Authority and Regional Services (STARS) who desired to use a parking lot owned by the City at 200 N. Weadock as well as the North Weadock St. right of way lying immediately to the west of 200 N. Weadock, Parcel No. 03 0385 00000. The street right of way is not developed as a street but is part of the parking lot at 200 N. Weadock. This parking lot is currently unused.

The need for STARS to use this lot arises from a transportation service that they are providing whereby a number of local residents have obtained employment at a manufacturer in Pigeon Michigan and STARS is providing dependable and affordable transportation to their place of employment.

The agreement provides that STARS may lease the parking lot for \$1.00, however STARS will be solely responsible for all maintenance of the lot including but not limited to snow plowing, mowing, and trash collection. The term of the agreement is for one year but may be extended upon mutual agreement of both parties.

The agreement also provides that STARS will name the City as additional insured on its general liability policy as well indemnifying the City as to any claims that arise from their use of this property. The City or STARS may terminate this agreement with fourteen days written notice without penalty.

This agreement has been approved by the City Manager as to substance and by the City Attorney as to form.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Office Furniture Purchase, Inspections Division
Prepared by: John Stemple, Director of Neighborhood Services

Manager's Recommendation:

I recommend approval of a purchase with Pinnacle Design for \$37,493.67 for the professional services associated with the purchase and renovation of the office area for the Inspections Division.

Justification:

On March 20, 2019, Pinnacle Design provided a quote for new office furniture for the renovation of the Inspections Division work area. The current office furniture is over 30 years old and does not provide an efficient work environment for Inspections Division staff.

Pinnacle Design has provided a design plan which includes the construction and design oversight to reconfigure the Inspections Office workstations. This new design will better utilize the office workspace.

The new furniture includes nine cubical work stations and two separate office workstations. Each workstation will be equipped with desk tops and both lower and upper file cabinet units.

Pinnacle Design and the City of Saginaw are participants in US Communities Contracts which is a program by which the product and services are bid to vendors on a national basis, therefore an additional bidding process is not required. Pinnacle Design is a local vendor in Saginaw Township and has been doing business in Saginaw and the surrounding area for over 35 years.

This vendor meets all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds are budgeted in the General Fund – Neighborhood Services and Inspections, Inspections Division, Office Equipment Account No. 101-3865-981.000.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Covenant Healthcare Police Officers
Prepared by: Brian Rowell, Community Public Safety - Police

Manager's Recommendation:

I recommend approval of the contract with Covenant Medical Center, Inc. for an annual amount of \$309,004.56, plus overtime, through 2024 for law enforcement services at the Cooper and Harrison Covenant Facilities and surrounding neighborhoods.

It is also recommended that an FY 2019 budget adjustment be completed to increase the General Fund Revenue, Police Department/Covenant, Account No. 101-0000-608.017 from \$0 to \$38,625.00. This increase in revenue will be offset by an increase in the Community Public Safety–Police, Covenant Police Officers Division, Account No. 101-3517-702.000 by the same amount.

Justification:

Covenant Medical Center, Inc. (Covenant), as a community partner, will provide funding for four full-time police officer positions in order to have dedicated service in and around their Cooper and Harrison campus properties, as well as the surrounding neighborhoods. It is understood that any officers assigned to the Covenant detail may be called away in the event of an emergency or other event requiring their presence elsewhere in the City.

I have approved the contract as to substance and the City Attorney approves as to form.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager

Subject: Restatement of Lease Agreement with the Urban Youth Tennis Foundation

Prepared by: Phillip Karwat, Public Services Department

Manager's Recommendation:

I recommend approval of the restatement of the Lease Agreement with the Urban Youth Tennis Foundation.

Justification:

The City of Saginaw entered into a lease agreement with the Urban Youth Tennis Foundation on August 9, 2010. The Urban Youth Tennis Foundation was organized as a non-profit corporation to promote tennis instruction and programs to inner-city youth. In addition to the programs offered, the Foundation is also interested in making substantial improvements to the City-owned Garber Tennis Courts, and is working towards obtaining funding and supporters to do so. The City has agreed to provide them access to the courts and priority for various events and tournaments. The Garber Tennis Courts will remain open to the public at all other times. The restatement includes over one million dollars in improvements and expansion, which include expanding the number of courts, adding pickle ball courts and improving the condition of the facility with an endowment fund for maintenance. This also gives the Urban Youth Tennis Foundation access to the facility year round for maintenance and improvements.

The term of this lease shall be for ninety-nine years effective August 1, 2009. The lease term shall run each year from January 1 to December 31. Upon termination of this lease, any improvements made to the property by Urban Youth Tennis Foundation shall become the property of City of Saginaw.

I have approved the Agreement as to substance and the City Attorney as to form.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager

Subject: Replacement Chain Hoist

Prepared by: Don Riley, Public Services Department

Manager's Recommendation:

I recommend approval of a purchase with Global Equipment Company for \$2,882.90 for an electric chain hoist as specified for the Motor Pool Division.

Justification:

On March 18, 2019, quotes were received from approved vendors for a 2 ton Coffing JLC electric chain hoist. The current unit is 30 years old and will not hold a load properly. Due to safety concerns, it has been removed from service, causing delays in repairs. The Coffing JLC hoist is built for the heavy-duty demands of industrial applications, such as handling and moving equipment components and heavy materials used in the fabrication and repair of Motor Pool Equipment. The following is a listing of the quotes received:

<u>Vendor</u>	<u>Total Cost</u>
Global Industrial	\$2,882.90
Grainger	\$3,345.00
Amazon	\$3,770.25

This vendor meets all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds are budgeted in the Motor Pool Operations, Garage Operations, Less than \$5,000 Account No. 661-4481-971.000 \$2,882.90.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Cast In Place Pipe Sewer Lining
Prepared by: Paul Reinsch, Public Services

I recommend the approval to increase existing blanket purchase order #504376 with Utility Services Authority, LLC by \$147,277.00 to provide Cast In Place Pipe Sewer Lining for the Maintenance & Service Division.

Justification:

On March 14, 2019, a quote was received for the lining of 1,693 feet of failing sewer main located on N. Charles Street in the City of Saginaw. The sewer was identified as needing lining due to cleaning and televising operations related to our asset management program for sewer lines. Utility Services Authority (USA) and the City have developed a good working relationship and USA has offered to complete this work at a 30% reduction from normal contract pricing due to this relationship. We recommend this work be approved and moneys be allocated at the increase required. Approval of the added funding will allow continued cleaning and televising of sewer line for the remainder of this year using funds already allocated in the blanket purchase order.

This vendor meets all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds are budgeted in the Sewer Operations and Maintenance Fund, Surplus Division's, Repairs and Replacements Account No. 590-4840-974.000.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Metro Act Permit Extension
Prepared by: Beth London, Public Services Department

Manager's Recommendation:

I recommend approval of the Metropolitan Extension Telecommunications Rights-of-Way Oversight Act Permit Extension with Michigan Bell Telephone Company d/b/a AT&T of Michigan for the Engineering Section, Right of Way Division.

Justification:

The Metropolitan Extension Telecommunications Rights-of-Way Oversight (METRO) Act was created to, among other things, streamline the process for authorizing access to and use of public rights-of-way by telecommunications providers and ensure the reasonable control and management of public rights-of-way by municipalities. A telecommunications provider using or seeking to use the public rights-of-way for its facilities must obtain a permit from the municipality and pay all fees required under the Act. The Act determines all aspects of the permitting process, including application, dispute resolution and fees. The Act requires that municipalities act reasonably and promptly on all applications for a permit and must grant providers a permit for access to and use of all public rights-of-way. The permit extension does not change the relationship between the parties, requirements regarding the payment of fees, or requirements regarding construction and maintenance of telecommunications facilities within the City's rights-of-way.

The recommendation is to extend the current permit which expires on April 30, 2019. The extension is for a five year period and will end on April 30, 2024.

I have approved the permit extension as to substance and the City Attorney as to form.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Ratification of Emergency Purchase for Underground Locator
Prepared by: Beth London, Public Services Department

Manager's Recommendation:

I recommend the ratification of the emergency purchase with C & S Solutions, Inc. for \$4,919.67 for an underground locator for the Traffic Section, Right of Way Division.

Justification:

On April 5, 2019, emergency purchase order number 505676 was issued to C & S Solutions, Inc. for a RD7100TL underground locator. C & S Solutions, Inc. is a sole source provider of radiodetection underground locator units, that match the specifications needed to provide accurate location details. The locator is used to locate and identify underground cables for the traffic signals, street lights and City owned underground fiber throughout the City. Locating and marking these cables is necessary to comply with the MISS DIG Utility Notification System requirements. The current underground locator used by the Traffic Section and was damaged beyond repair this week and is no longer functioning.

This vendor meets all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds are budgeted in the General Fund – Public Services Department, Street Lighting Division's, Parts and Supplies Account No. 101-4620-742.000 \$2,459.79 and the Local Streets Fund, Traffic Engineering Division, Parts and Supplies Account No. 203-4621-742.000 \$2,459.88.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Tetra Tech Professional Services Proposal

I recommend approval of a proposal with Tetra Tech for \$253,400 for FY 2019 through FY 2020 for High Service Pump Control, Aqua Station and Weiss St. Basin System Upgrades Design, Programming and Startup Services for the Water and Wastewater Treatment Divisions.

Justification:

On January 14, 2019, we received a proposal from Tetra Tech for professional services to assist the City of Saginaw with upgrading the Water Treatment Plant high service pump panel, Aqua Station and Weiss St. Basin programmable logic controllers (PLC's), and emergency controls and enhancements. In addition, they will study radio communication upgrades for each retention basin and the link between the Wastewater Treatment Plant and the existing general services communication tower. The PLC's in service today are obsolete and near their end of life, while the radios are over 10 years old and are not providing the bandwidth needed for our current communication needs. The PLC's control the process that pumps water to the distribution system and radios provide the communication between the outlying stations and the water and wastewater treatment plants. Proposals were not solicited from other vendors as Tetra Tech was the design engineer of these systems.

This vendor meets all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds are budgeted in the FY 2019 Sewer Operations and Maintenance Fund, Instrumentation and Process Control Division's Professional Services Account No. 590-4815-801.000 (\$87,100) and the Water Operations and Maintenance Fund, Instrumentation and Process Controls Division's Professional Services Account No. 591-4715-801.000 (\$78,700). The balance of \$87,600 will be budgeted in FY 2020 in the same account numbers, pending Council approval of the FY 2020 budget.

I have approved this agreement as to substance and the City Attorney approves as to form.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: 24" Gate Valve Replacement
Prepared by: Brian Baldwin, Water and Wastewater

Manager's Recommendation:

I recommend approval of a purchase with Water Technology Resources for \$9,750.00 for the purchase of a 24" gate valve for the Wastewater Treatment Division.

Justification:

There are six raw sewage pumps at the Wastewater Treatment Plant. The pumps are located 50' underground and pump raw sewage from the wet well into the plant. Each pump has an isolation valve which allows the pump to be removed for servicing. Both the pumps and valves are part of the original 1948 construction. In March of this year when the maintenance staff tried to remove one of the pumps for servicing, they discovered the valve had failed. We are still able to use the pump, however to remove it for service without the valve requires that we shut down the plant and pump out the wet well. This will be the third of these valves to fail and require replacement. We will budget to replace the remaining valves. On March 5, 2019, sealed bids were opened for a replacement valve. Following is a summary of the bids received:

Water Technology Resources Bloomington, MN	\$9,750.00
Macomb Group Midland, MI	\$9,963.42
Michigan Pipe & Valve Saginaw, MI	\$13,450.00
JMG Valve Corporation Commerce, MI	\$23,846.00
Core and Main LP Shelby Township, MI	\$24,085.00
Etna Supply Grand Rapids, MI	\$28,000.00

This vendor meets all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds are budgeted in the Sewer Operations and Maintenance Fund, Treatment and Pumping Division's Repairs and Replacements Account No. 590-4830-974.000.

From: Timothy Morales, City Manager
Subject: DeZurik Valve Parts
Prepared by: Brian Baldwin, Water and Wastewater

Manager's Recommendation:

I recommend approval of a purchase with Kennedy Industries, a sole source, for \$6,044.00 for the replacement parts needed to rebuild a twenty inch DeZurik plug valve for the Wastewater Treatment Division.

Justification:

Each of the six raw sewage pumps at the Wastewater Treatment Plant have a gate valve on the suction side of the pump and a DeZurik plug valve on the discharge side of the pump. The discharge valves open automatically when a pump is started and close when it is shut down, preventing water from flowing backwards through the pump into the wet well. In early March of this year, our maintenance staff determined that one of these valves was leaking and would need to be rebuilt. On March 21, 2019, we received a quote from Kennedy Industries for the parts needed to rebuild this valve. Kennedy Industries is the manufacturer's representative for DeZurik valves in Michigan and the sole source for repair parts.

This vendor meets all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds are budgeted in the Sewer Operations and Maintenance Fund, Treatment and Pumping Division's, Parts and Supplies Account No. 590-4830-742.000.

Subject: Saginaw Depot Preservation Corporation Charitable Gaming License

Prepared by: Janet Santos, City Clerk

Manager's Recommendation:

I recommend the adoption of the resolution recognizing Saginaw Depot Preservation Corporation as a non-profit organization for the purpose of obtaining charitable gaming licenses.

Justification:

The Saginaw Depot Preservation Corporation was validly incorporated as a nonprofit corporation in February 1992 by the State of Michigan, Department of Licensing and Regulatory Affairs. They are located in the City of Saginaw operating exclusively for the acquisition, reclamation and preservation of the historical Flint and Pere Marquette Railway East Saginaw Depot, to improve the inner city community, and to maintain this historically significant structure.

On March 20, 2019, documentation was filed with the City Clerk's Office as required by the Michigan Lottery, Charitable Gaming Division qualification requirements. These documents have been reviewed by the City Clerk and City Attorney for verification and have met all qualification requirements as enforced by the Michigan Gaming Control Board. Therefore, the State of Michigan resolution form is presented as a recommendation for approval of the request.

Subject: Local Bridge Program Funds Application
Prepared by: Beth D. London, Public Services Department

Manager’s Recommendation:

I recommend adoption of the resolution allowing the request for Local Bridge Program Funds from the Michigan Department of Transportation for preventative maintenance of the Court Street, Genesee Avenue, Holland Avenue, and Johnson Street bridges for FY 2022.

Justification:

The Local Bridge Program was enacted in 2004 and is the federal legislation that provides funds for local agency bridges. The Michigan Department of Transportation (MDOT) has called for project applications from eligible communities who wish to participate in this program. The applications have to meet certain criteria and because of funding limitations, the applications are evaluated by MDOT and ranked against these criteria.

Per the MDOT Local Bridge Program Guidelines, the total number of applications from any local agency is limited to five. The preventative maintenance projects are eligible for a maximum of 95 percent participation from federal and/or state funds. The City is responsible for the 5 percent match and all right-of-way, design engineering and construction engineering costs. Per the City’s most recent bi-annual bridge inspection reports, it is apparent that the Court Street, Genesee Avenue, Holland Avenue and Johnson Street bridges are in need of preventative maintenance.

Funds for the City’s share of the construction costs will be made available in the FY 2022 and FY 2023 Major Streets Fund – Bridge Projects Division’s, Construction Projects Account No. 202-4616-822.000, pending Council approval. Funds for design and construction engineering costs will be made available in the FY 2021, FY 2022 and FY 2023 Major Streets Fund – Bridge Projects Division’s, Engineering Services Account No. 202-4616-802.000, pending Council approval.

WHEREAS: a need for preventative maintenance for the Court Street, Genesee Avenue, Holland Avenue, and Johnson Street Bridges has been determined by recent engineering and bridge inspection reports done by Spicer Group, the City's structural bridge consultant; and

WHEREAS: the deadline for submission of new funding applications for the State of Michigan and FY 2022 Local Bridge Program funds is May 1, 2019; and

WHEREAS: the application will be prepared and reviewed for the purpose of procuring State and Federal Local Bridge Program Funds for such rehabilitation.

Subject: ACT 51 Decertification/Vacation and Name Change Resolutions
Prepared by: Beth London, Public Services Department

Manager's Recommendation:

I recommend adoption of Michigan Department of Transportation Resolutions for the Decertification/Vacation of Esop Street from the east right-of-way line of Veterans Memorial Parkway to the east line of the Buena Vista Gardens plat, Meredith Street from the westerly line of Lot 1, Block 37, Emerson's Addition extended to the northerly line of Block 38, Emerson's addition east to the section of Meredith Street that was previously vacated, and Mackinaw Street from the east right-of-way line of South Niagara Street to the west edge of the Saginaw River, and the Name Change of 2nd Avenue from East Genesee Avenue to North Washington Avenue (M-13) to Roosevelt Austin Avenue.

Justification:

The Michigan Department of Transportation requires all municipalities when filing the ACT 51 Annual Report for Mileage Certification for Cities and Villages, to certify all street additions, deletions, vacations, and changes for the prior year.

Esop Street was vacated at the request of the Menards Corporation to allow for the expansion of their business. Meredith Street and Mackinaw Street were vacated to eliminate railroad crossings, remove safety equipment, and decrease the annual amount paid to the railroad companies for the City's portion of the safety equipment maintenance.

Council adopted the Esop Street and Meredith Street vacations on April 24, 2017, and the ordinance became effective on May 4, 2017. Council adopted the Mackinaw Street vacation on May 8, 2017, and the ordinance became effective on May 18, 2017.

Council adopted the name changed from 2nd Avenue to Roosevelt Austin Avenue on February 5, 2018, and the ordinance became effective on February 15, 2018. However, this requires a City Council resolution to formally decertify and vacate the street from the ACT 51 roadway system, and to acknowledge a significant street name change.
