Ms. Janet Santos, City Clerk
City of Saginaw
1315 S. Washington
Saginaw, MI 48601

Dear Ms. Santos:

Please be advised that the Board of Trustees of the Saginaw-Midland Municipal Water Supply Corporation, at their regular meeting this date have approved the 2020-2021 Operating, Capital Improvement, and Debt Service Budgets for the Corporation.

In accordance with the 1946 agreement between the City of Saginaw and the City of Midland, it is necessary for capital improvement expense to be additionally approved by the governing bodies of both owner Cities.

The Management and Board of Trustees of the Saginaw-Midland Municipal Water Supply Corporation; therefore, recommend that the City of Saginaw approve the capital expenditure items as shown on the attached Budget for Capital Improvement and Emergency Repair Fund in the amount of $710,000 for the 2020-2021 budget year, with a fund income allocation set at $.03 per 1,000 gallons pumped.

We request that this petition for approval be advanced to the council as soon as possible. Please notify our office when Saginaw-Midland’s Budget for Capital Improvement and Emergency Repair Fund has been approved. Thank you for your efforts in this regard.

Sincerely yours,

Daniel Stickel
Manager

Subject: Cisco Network Switches

Prepared by: Chris Seager, Technical Services

Manager’s Recommendation:

I recommend that the agreements with Sentinel Technologies, Inc. and De Lage Landen Public Finance LLC be approved for the provision, installation, and leasing of two Cisco Network Switches and that a purchase order be approved and issued to De Lage Landen Public Finance LLC (Servicing Agent for Cisco Systems Capital) in the amount of $56,925.75 with $11,385.15 in annual payments due on a five-year lease to own.

Justification:

On March 10, 2020, we received a quote from Sentinel Technologies, Inc. for a replacement of two Cisco Network Switches utilizing the National Association of State Procurement Officials Value Point (NASPO) pricing for the equipment, service and maintenance. Sentinel Technologies is an Authorized Reseller under a discount pricing and service agreement between NASPO and Cisco Systems, Inc. The first switch replacement is the City Hall Core Network Switch which connects to all City of Saginaw Departments and Saginaw County 911. This Core Network Switch is at capacity and is no longer supported or upgradeable. The second switch is a replacement for the Water and Waste Water Services Administrative Building which is past its life cycle and no longer supported. Both new switches will allow for expansion for future projects. They will also have a higher level of security and utilize Power-Over-Ethernet Plus (PoE+) which will allow newer equipment with higher power requirements to be utilized.

Funds are budgeted in the Technical Services - Information Services Fund, Office Equipment Account No. 658-1720-981.000

I have approved the agreements as to substance and the City Attorney as to form.

Council Action:

Motion to approve the recommendation of the City Manager.
From: Timothy Morales, City Manager

Subject: Ratification of Emergency Purchase for Engine 2 Repairs

Prepared by: Christopher Van Loo, Fire Chief

Manager's Recommendation:

I recommend the ratification of the emergency purchase order issued to Cummins Bridgeway, LLC for $4,964.59 for repairs to the Fire Department's Engine 2.

Justification:

On April 16, 2020, Engine 2 developed overheating issues that required it to be removed from front line service. It was taken to Cummins Bridgeway, LLC to be diagnosed and it was determined that the EGR cooler had failed which created the overheating condition. Due to the need to have this apparatus in service, we determined the most prudent course of action was to request an emergency purchase order and immediately begin the repairs. On April 17, 2020, an emergency purchase order was issued, the repairs were completed, and Engine 2 was returned to front line service.

Funds are budgeted in the General Fund – Community Public Safety Fire, Fire Apparatus Operations/Maintenance, Motor Vehicle Repairs Account No. 101-3554-931.000.

Council Action:

Motion to approve the recommendation of the City Manager.
Manager's Recommendation:

I recommend the approval of purchase with Strictly Technology, LLC for $4,631.28 for three Lenovo laptop computers to be utilized by the Saginaw Police Department, Victim Services Unit.

Justification:

Four qualified vendors submitted quotes in response to the City of Saginaw's request for quotes for three Lenovo 20RD002RUS laptop computers with Microsoft Office Professional Plus 2019 preinstalled, and four-year extended service agreements for each computer.

The following is a tabulation of the quotes received:

This purchase will be reimbursed through our previously awarded U.S. Department of Justice, Office Justice Programs, Office for Victims of Crime, Law Enforcement-Based Victims of Crime Grant (LEV Grant). The Office for Victims of Crime has authorized and approved the Saginaw Police Department (SPD) to purchase three laptops, software and warranties as a result of the Covid-19 pandemic that has significantly impaired the ability of our Victim Services Unit (VSU) to provide direct service. The financing of this purchase will come from unexpended grant funds realized due to a delay in hiring a part-time VSU employee, through sub-contract. This purchase will enable SPD Victim Services personnel to engage both SPD personnel and victims of crime while working from home during this and possible future pandemics.

Funds are budgeted in the Community Public Safety Police, PD Justice Victims SVCS Grant, Less Than $5,000, Account No. 268-3343-971.000.

**Council Action:**

From: Timothy Morales, City Manager
Subject: Increase Blanket Purchase Order - Vehicle Parts
Prepared by: Don Riley, Public Services Department

Manager’s Recommendation:

I recommend the approval to increase blanket purchase orders issued to various vendors by $9,764, for a new total of $37,500, for vehicle parts for the Garage Division.

Justification:

In FY 2020, the purchase orders listed below were issued to vendors in amounts totaling $27,500. The City’s Municipal Garage requires parts sold by these vendors for various repairs of fleet vehicles from July 1, 2019 to June 30, 2020.

In FY 2019, the Garage spent $4,294.24 on parts from Ritter Technology. In the current fiscal year we have spent $6,709.08, leaving a balance of $2,790.92. The Garage needs to purchase hydraulic hoses and fittings totaling $3,081.45 in order to have parts on hand to replace hydraulic hoses and fittings on heavy equipment used by Maintenance and Service and the Right of Way Divisions in the event of a likely failure on these pieces of equipment.

In FY 2019, the Garage spent $6,001.81 on parts from Scientific Brake. In the current fiscal year we have spent $12,397.69, leaving a balance of $602.31. The Garage purchases various brake parts and other equipment for heavy duty trucks and necessary lighting kits for newly delivered pickup trucks.

In FY 2019, the Garage spent $8,214.37 on parts from Winter Equipment. In the current fiscal year we have spent $5,235.65, leaving a balance of $.35. The Garage purchases plow guards for inventory that can take 4-5 months to deliver from purchase date. These plow guards will be needed to prep plow trucks in the fall.

There are no feasible means to predetermine what parts will be needed to be replaced on these vehicles. The Garage Division’s personnel obtain price quotes for parts awarding purchases to the lowest and best vendor for each item. The original blanket purchase order information is as follows:

Funds are budgeted in the Motor Pool Operation Fund, Garage Operations Division's Motor Vehicle Supplies Account No. 661-4481-737.000, $37,500, and will be accounted for in the Motor Pool Operation Fund, Inventory Account No. 661-0000-110.001.

Council Action:

Motion to approve the recommendation of the City Manager.
Manager’s Recommendation:

I recommend the approval of a purchase with PVS Technologies, Inc. for $11,360.00 for 20 dry tons of ferric chloride for the Wastewater Treatment Division.

Justification:

The Wastewater Treatment Division has used waste acid from the Nexteer Plants for over ten years for phosphorus precipitation, in order to meet the phosphorus limits in our National Pollutant Discharge Elimination System permit. Since the Governor’s stay at home order went into effect, Nexteer has been shut down and waste acid shipments have ceased. Ferric chloride is also used at the Water Treatment Division as a flocculent and is being purchased from PVS Technologies, the low bidder. We contacted PVS Technologies and they have agreed to honor the contract price of $568/dry ton that is in place for the Water Treatment Division. When waste acid is available from Nexteer again, we will use it, but will have the option of purchasing ferric chloride if necessary.

Funds are available in the Sewer Operations and Maintenance Fund, Treatment and Pumping Division's Chemicals Account No. 590-4830-727.000.

Council Action:

Motion to approve the recommendation of the City Manager.
Manager's Recommendation:

I recommend the approval of a purchase with Jones Chemical Corporation for the amount of $23,278.20 for sixty tons of chlorine for the Wastewater Treatment Division for FY 2021.

Justification:

Chlorine is used at the Wastewater Treatment Division for disinfection of treated water prior to its discharge to the Saginaw River. The Saginaw-Midland Municipal Water Supply Corporation (SMMWSC) jointly specifies and competitively bids chlorine for its annual needs and for the requirements of several other communities, including the City of Saginaw. The Board of Trustees of SMMWSC, at their regular meeting on April 16, 2020, moved to accept the low bid from Jones Chemical for Fiscal Year 2021 at a firm price of $387.97 per ton of liquid chlorine. As a member of the bidding consortium, the City of Saginaw is also afforded this price, which represents a 5.0% increase of the costs from the Fiscal Year 2020.

Funds are budgeted in the Sewer Operations and Maintenance Fund, Treatment and Pumping Division's Chemicals Account No. 590-4830-727.000 for Fiscal Year 2021, pending budget approval.

Council Action:

Motion to approve the recommendation of the City Manager.
IN SUPPORT OF GOVERNOR WHITMER’S “STAY HOME STAY SAFE” ORDER

Moved by Council Member __________, seconded by Council Member ____________ to adopt the following resolution:

WHEREAS, the novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and easily spreads from person to person. There is currently no approved vaccine or antiviral treatment for this disease; and

WHEREAS, on March 10, 2020, Governor Whitmer first declared a State of Emergency across the State of Michigan under Section 1 of Article 5 of the Michigan Constitution of 1963, the Emergency Management Act, 1976 PA 390, as amended, MCL 30.401 et seq, and the Emergency Powers of the Governor Act of 1945, 1945 PA 302, as amended, MCL 10.31 et seq; and

WHEREAS, on March 21, 2020, Saginaw County Public Health Officials were notified of the first confirmed case of COVID-19 in Saginaw County; and

WHEREAS, on March 23, 2020, Governor Whitmer instituted Executive Order 2020-21, the “Stay Home Stay Safe” order, a temporary requirement to suspend activities that are not necessary to sustain or protect life, prohibiting public and private gatherings of any number of people occurring among persons not part of a single household, and prohibiting “in-person” work that is not necessary to sustain or protect life, with exceptions for critical infrastructure workers and workers necessary to conduct minimum basic operations; and

WHEREAS, on April 24, 2020, Governor Whitmer instituted Executive Order 2020-59, effectively reaffirming the measures set forth in the “Stay Home Stay Safe” order and extending their duration through May 15, 2020; and

WHEREAS, to mitigate the spread of COVID-19, protect the public health, and provide essential protections to vulnerable City of Saginaw residents, it is critical that Saginaw residents adhere to the guidelines set forth in Governor Whitmer’s Executive Order 2020-59.

NOW, THEREFORE, BE IT RESOLVED, that the Saginaw City Council fully supports Governor Whitmer’s “Stay Home, Stay Safe” order and the efforts set forth in Executive Order 2020-59 to lower the spread of Covid-19. Further, we urge all citizens to practice social distancing guidelines, avoid large crowds and social gatherings, wear the recommended face coverings when in public, and limit travel to only that which is deemed essential.
