Subject: Cyber and Privacy Liability Insurance

Prepared by: Janet Santos, City Clerk

Manager's Recommendation:

I recommend approval of the Cyber and Privacy Liability insurance coverage with BCS Insurance Company effective May 9, 2016 to May 9, 2017, for \$6,567.00 and that I, or my designee, be authorized to execute any and all necessary insurance documents under the plan.

Coverage documents, policy changes and contracts to implement the new insurance are subject to the City Manager's approval as to substance and the City Attorney's approval as to form.

Justification:

At the request of City staff, Saginaw Bay Underwriters in conjunction with Arthur J. Gallagher submitted requests to several insurance markets that specialize in Cyber and Privacy Liability coverage. The request was submitted to protect the City from cyber theft of personally identifiable information of City residents and employees. They found that the quote with BCS Insurance Company is broad in scope with a very competitive premium.

The vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions," of the Saginaw Code of Ordinances, O-1.

Funds are budgeted and available in the Self Insurance Fund's Insurance Account No. (677-1762-806.000).

Council Action:

Moved by Council Member _____, seconded by Council Member _____, to approve the recommendation from the City Manager.

From: Tim Morales, City Manager
Subject: Jet Graphics Annual Purchase Order
Prepared by: Sienna Rendon, Community Public Safety – Police

Manager’s Recommendation:

I recommended that the bid from Jet Graphics of Freeland, MI be accepted and a purchase order be issued to them in the amount of \$792.75 for FY 2016 for graphics for the Saginaw Police Department patrol vehicles; and pending approval of the FY 2017 and FY 2018 budgets, approve a purchase order to Jet Graphics for \$792.75 each year for the same services.

Justification:

On April 19, 2016, one (1) qualified vendor submitted a bid in response to the City of Saginaw’s request for Proposal 1378-16 for Saginaw Police vehicle decals. The following is a tabulation of the bid received:

	UNIT OF MEASUREMENT PER EACH	JET GRAPHICS FREELAND, MI
DOOR SEAL DECAL	1	\$33.00
FENDER/TRUCK BADGE DECAL	1	\$13.25
BUMPER NUMBER DECAL	1	\$24.75
“CALL 911” DECAL	1	\$12.25
ROOF NUMBER	1	\$30.00
TOTAL		\$113.25
TOTAL COST PER YEAR		\$792.75 (\$113.25 x 7 VEHICLES)
TOTAL COST FOR 3 YEARS		\$2,378.25

This purchase order is necessary to outfit all vehicles with the proper graphics that will properly identify them. All patrol cars have numbers placed on top of the vehicle, which can be seen by the MSP helicopter and ensures the safety of all officers. The Police Department estimates that it will need approximately 7 vehicles serviced per year.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds are available in the Drug Forfeiture Fund's Parts & Supplies Account No. 264-3040-742.000.

From: Timothy Morales, City Manager
Subject: City Hall Carpet Mat Cleaning – Facilities Division
Prepared by: Bruce Caradine, Public Services Department

Manager’s Recommendation:

I recommend the low bid from GOHM Insurance Restoration, Saginaw, MI be accepted and a purchase order be approved and issued to them in the amount of \$3,552 for the purchase of weekly carpet mat cleaning service for carpets located in the City Hall Building.

Justification:

On March 15, 2016, the City received bids for weekly cleaning of the carpet mats used at City Hall. It was recommended by all vendors that the carpet mats be cleaned on a weekly basis. The new carpet mats’, purchased in early 2016, bid packet had the option for vendors to submit a weekly cleaning bid to keep the surface dirt from getting ground into the matting which would cause deterioration of the carpet fibers. Conserv Flag Co., low bid for the purchase of the mats was accepted in the amount of \$3,966.70, but they did not submit a bid that included the mats weekly cleaning. Cintas, the second vendor submitted a higher bid totaling \$5,610, plus an additional \$5,538 for the mats weekly cleaning. Cintas also refused to clean another vendor’s mats.

The Facilities Division received better pricing for the mats weekly cleaning by issuing a separate bid packet rather than receiving the Cintas bid. The City’s overall net savings from Conserv Flag Co. and GOHM Insurance Restoration’s bids totaled \$3,629.30. The Facilities Maintenance Division does not have sufficient staffing, physical space or equipment to clean 12 mats weekly. The bids were evaluated on a lump sum price basis.

The following is a tabulation of the bids received:

<u>Vendor</u>	<u>Cost</u>
GOHM Insurance Restoration Saginaw, MI (Out of City)	\$3,552
Stanley Steemer Saginaw, MI (Out of City)	\$3,840

GOHM Insurance Restoration meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this purchase are budgeted in the General Fund – Department of Public Services – Facilities Division’s Operating Services Account No. 101-7575-805.000.

Subject: Authorization to Allow the Sale of Alcoholic Beverages the Children's Zoo at Celebration Square

Prepared by: Evelyn McGovern, Public Services Department

Manager's Recommendation:

I recommend adoption of the attached Resolution authorizing the consumption and sale of alcoholic beverages at the Children's Zoo at Celebration Square, a public property, during the annual Brew at the Zoo to be held on June 16, 2016.

On June 16, 2016, Saginaw Valley Zoological Society (SVZS) will host its annual Brew at the Zoo at the Children's Zoo, a public property. SVZS has requested that the City allow for alcoholic beverages to be served to participants for consumption during this event. Title XIII, Chapter 132, Section 132.01(C) of the Saginaw Code of Ordinances states that City Council can authorize the consumption and sale of alcoholic beverages on public property, if the vendor provides the following to the City:

- (1) The precise location where said beverages are to be sold and consumed;
- (2) The dates and times for said activities;
- (3) A proper state license for the sale and consumption of alcoholic beverages at the place and times listed in subsections (1) and (2) above;
- (4) Adequate public liability and property damage insurance for the benefit of the City with a company licensed to sell insurance in the State of Michigan;
- (5) Such other insurance as the City Council deems adequate for the benefit of the City;
- (6) Adequate personnel to control the premises where the alcoholic beverages are to be sold and consumed; and
- (7) Such other reasonable requirements as said City Council deems appropriate.

Approval to sell alcoholic beverages for this event is contingent upon the applicable vendors providing the proper required documents to the appropriate City department by June 2, 2016. The City has set the insurance requirements and all insurance

certificates must be reviewed and approved by the City. Furthermore, the vendor has been advised of the insurance requirements and the deadline for submitting insurance certificates to the City.

Council Action:

This Council Communication is for explanation purposes only of the resolution to be adopted.

I recommend that the low bid from PK Contracting, Inc. of Troy, Michigan be accepted and a purchase order be issued to them in the amount of \$30,178.00 for the installation of long-line thermoplastic pavement markings for FY 2016. I also recommend, pending Council approval of the FY 2017, FY 2018 and FY 2019 budgets, acceptance of PK Contracting Inc.’s bid for FY 2017 in the amount of \$30,810.00, FY 2018 in the amount of \$30,942.00 and FY 2019 in the amount of \$32,175.0, for the installation of long-line thermoplastic pavement markings.

Justification:

The Traffic Maintenance Section of the Right of Way Division is required to maintain 386,000 Linear Feet of pavement markings within the City of Saginaw. On April 12, 2016, the City received three bids for the installation of long-line thermoplastic pavement markings. One bid was disqualified for not including a bid bond with their bid. A third bidder submitted an alternate bid for water borne paint, which the City chose not to accept. The following is a tabulation of the acceptable bid received:

<u>Vendor</u>	<u>Fiscal Year</u>	<u>Location</u>	<u>Cost</u>

Subject: Brake Lathe System Replacement – Motor Pool
Prepared by: Don Riley, Public Services Department

Manager’s Recommendation:

I recommend a purchase order be approved and issued to MTF Equipment Sales of Houston, TX, at HGACBuy contract pricing, in the amount of \$8,500 for the purchase of a 2016 Ammco 4100-B Brake Lathe system installed for the Motor Pool Division.

Justification:

On November 25, 2013, Council authorized the City Manager or his designee to execute the Inter-local Contract allowing the City’s initial HGACBuy contract purchase, which allows municipalities to use the purchasing power of national bids to expedite procurement, receive volume-purchasing discounts, and many other significant benefits.

The Motor Pool Division is replacing a 37 year old Brake Lathe system which due to the automotive braking systems becoming obsolete for our fleet. The current brake lathe is unable to service many of the newer model rotors and drums and is affecting motor pool productivity. Fleet maintenance and motor pool productivity are the major factors necessitating the replacement of this Brake Lathe system.

MTF Equipment Sales meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Subject: Ratification of Emergency Purchase – Gear Reducer
Prepared by: Brian Baldwin, Water and Wastewater

Manager’s Recommendation:

I recommend ratification of emergency purchase order no. 498469 issued on March 15, 2016 to Hammond Drives of Freeland, MI, in the amount of \$3,222.00 for the purchase of a replacement gear reducer for the screenings grinder at the Wastewater Treatment Division.

Justification:

On February 29, 2016, plant operators noticed that the screenings grinder was making an unfamiliar noise. Upon inspection of the equipment, it was determined that the noise was coming from the gear reducer which is between the motor and the screenings grinder. Because this equipment is critical and we have no redundancy, we decided to keep the unit running and issue an emergency purchase order to expedite delivery of a new gear reducer. The new gear reducer has been installed and the damaged one removed from service to determine the extent of the damage and complete repairs. Going forward we will have a spare unit. In order to insure cost effectiveness, we received three quotes for a direct replacement for the gear box. We then had a vendor (the low bidder) visit the plant and take a look at the unit. He recommended a similar unit by the same manufacturer for less than half the cost of the original unit. Following is a summary of the quotes received:

Hammond Drives Freeland, MI	\$3,222.00
JWC Environmental Santa Ana, CA	\$6,125.54
Applied Ind. Tech Saginaw, MI	\$7,081.55
Motion Industries Saginaw, MI	\$8,750.77

Subject: Demolition of the Firestone Building
Prepared by: Jim Nichols, Purchasing Officer

Manager's Recommendation:

I recommend the low bid from Bierlein Companies of Midland, MI be accepted and a purchase order be issued to them in the amount of \$65,050, for the demolition of the Firestone Building located at 132, 134 South Water Street. The general cost of the low bid is \$59,450. There is the potential for alternate costs for non-hazardous waste removal in the amount of \$5,600 that may be incurred. The addition of the alternate costs results in a total cost of \$65,050.

Justification:

The City of Saginaw is the fiduciary for the Downtown Development Authority (DDA). The DDA owns the Firestone Building. On July 6, 2015, the City Council approved a resolution authorizing submittal of Michigan Department of Environmental Quality (MDEQ) Brownfield Redevelopment Grant and, if awarded, its acceptance in the amount of \$1,000,000. This MDEQ grant is for the SVRC Marketplace Project, which includes the Firestone Building demolition. The MDEQ grant was awarded to the DDA.

On February 23, 2016, the City received bids for the demolition of the Firestone Building located at 132,134 South Water Street in Saginaw. Alternate costs may be incurred due to the potential discovery of gas/diesel and/or other non-hazardous wastes, but will not be known until the project is started. SUPPORT OF HOUSE BILL 5578 - DARK STORE BILL

Moved by Council Member _____, seconded by Council Member _____ to adopt the following resolution:

WHEREAS: Big Box Stores are taking advantage of loopholes in the taxable value appraisal process by having their stores compared to closed, vacant properties for the purposes of establishing their value, known as the “Dark Store Tax Loophole”; and

WHEREAS: this loophole has cost more than \$75 million in local taxes that cities, counties, townships and school districts would have otherwise been used to provide essential government services and public education, according to the Michigan Association of County Treasurers; and

WHEREAS: the City Council for the City of Saginaw recognizes that, in addition to blowing holes in Michigan local government and local school district budgets, the “Dark Store assessments” are creating tax advantages for big retailers over other businesses; and

WHEREAS: leveraging common sense and fairness, the property value of a store that is open for business should not be influenced by a store that is closed for business and is vacant; and

WHEREAS: the City of Saginaw, and every municipality in the State of Michigan relies heavily on property tax revenue to fund local government services; and

WHEREAS: it is vital that the loophole that exists for Big Box Stores or Dark Stores, be closed to ensure equitable taxes for all uses.

NOW, THEREFORE BE IT RESOLVED, that the City of Saginaw Council members support House Bill 5578 in its efforts to work towards applying universally accepted appraisal standards when deciding larger property tax appeal cases; and that the City Clerk submit this resolution on behalf of the City Council to the Governor of Michigan and the appropriate parties in the Michigan legislature.
