From: Tim Morales, City Manager
Subject: Workers Compensation Insurance Renewal
Prepared by: Dennis Jordan, Human Resources Director

Manager’s Recommendation:

I recommend approval of the Workers Compensation Insurance Renewal with Safety National Casualty Company for an annual premium of \$78,043, with a term of July 1, 2017 through June 30, 2018.

Coverage documents, policy changes and contracts to implement the new insurance are subject to the City Manager’s approval as to substance, and the City Attorney’s approval as to form.

It is also recommended that the City Council authorize the City Manager or his designee to sign all documents related to this insurance renewal.

Justification:

The City is self-insured for workers compensation illnesses and injuries for indemnity, medical and legal claims up to a specific dollar limit per claim. At such time a claim reaches the specified retention limit, those claims then become the liability of the excess insurance company.

The City obtained quotes from multiple workers compensation excess insurance companies, including our current company Safety National. The incumbent company, Safety National, provided the most favorable pricing and terms.

Comparison between last year’s premium and those proposed for FY 2016-2017 are as follows:

	<u>Expiring</u>	<u>Renewal</u>
Specific Retention Limit	\$750,000	\$750,000
Annual Excess Premium	\$76,562	\$78,043

The other quotes provided were over \$110,000 in renewal premiums.

The primary reason for the increase is due to a increase in payroll exposure.

This vendor meets all requirements of §14.23, “Vendors,” of “Purchasing, Contracting, and Selling Procedure,” of Chapter 14, “Finance and Purchasing,” of Title I, “General Provisions” of the Saginaw Code of Ordinances O-1.

The funds are budgeted in the Workers Compensation Fund – Employee Health Division’s Insurance Account No 678-1751-806.000.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

From: Tim Morales, City Manager
Subject: Workers Compensation Claims Management Service Agreement
Prepared by: Dennis Jordan, Human Resources Director

Manager’s Recommendation:

I recommend approval of the Workers Compensation Claims Management Service Agreement with York Risk Services Group, Inc. for the initial annual premium of \$40,200, with a term of July 1, 2017 through June 30, 2020.

Coverage documents, terms of the initial agreement changes and contracts to implement the Claims Management Services are subject to the City Manager’s approval as to substance, and the City Attorney’s approval as to form.

It is also recommended that the City Council authorize the City Manager or his designee to sign all documents related to this Claims Management Service Agreement.

Justification:

The City is self-funded for workers compensation illnesses and injuries, and provides payments for indemnity, medical and legal expenses as mandated by the State of Michigan.

The City utilizes the services of a Third Party Administrator (TPA) to manage the workers compensation program and all aspects of the claims management services. The current vendor who we are requesting this renewal for is York Risk Services Group. We initially contracted with York on July 1, 2014. They have managed our claims for the past three years where we have seen a continual reduction in the average number of “medical” claims by 27% and a reduction in “lost time” claims by 65%.

This amended service contract provides for a three year agreement with annual claims handling fees as follows:

Expiring Rate	FY 2018 Rate	FY 2019 Rate	FY 2020 Rate
\$40,200	\$40,200	\$40,600	\$41,000

The current expiring rate and the first year renewal rate is the same annual fee we have paid since the inception with York in 2014.

This vendor meets all requirements of 14.23, “Vendors,” of “Purchasing, Contracting, and Selling Procedure,” of Chapter 14, “Finance and Purchasing,” of Title I, “General Provisions” of the Saginaw Code of Ordinances O-1.

The funds are budgeted in the Workers Compensation Administration Division's, Professional Services Account No 678-1750-801.000.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

From: Tim Morales, City Manager
Subject: PackBot Multi-Dimension Robot
Prepared by: Robert Ruth, Chief of Police

Manager’s Recommendation:

It is recommended to approve the donation of an iRobot 510 PackBot Multi-Dimension Robot from the U.S. Department of Defense to the Saginaw Police Department.

Justification:

The Saginaw Police Department is being offered the opportunity to obtain an iRobot called a ‘PackBot Multi-Dimensional Robot’ free of charge from the Department of Defense (D.O.D.). The unit will be used by the Saginaw Police Emergency Services Team (E.S.T.) to prevent citizen and law enforcement casualties during incidents of armed and barricaded suspects, including emergency rescue and evacuation of severely injured or incapacitated persons under threat of firearms. The DOD has placed the Saginaw Police Department on a national priority list to receive the iRobot.

The iRobot is considered a valuable life saving tool that is critical to victim rescue response during acts of domestic/foreign terrorism that place our children and families at risk in the City of Saginaw. Incidents are not going to stop, they’re going to continue to occur throughout the United States and it’s important that we be prepared. Mass shootings are occurring more often than we like. This type of equipment is very rarely utilized or seen by the public and is in storage most of the time until it is needed. It is our hope that we will never need to utilize this life saving equipment. However, we need to have it available to save lives in our city. The iRobot is designed for use by first responders to carry out dangerous missions in high threat scenarios. The 510 PackBot can perform surveillance and reconnaissance, building and route clearance, explosive ordnance disposal (EOD) and HazMat handling.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

From: Timothy Morales, City Manager
Subject: Douglass Safety Systems – ISI SCBA Parts

Manager’s Recommendation:

I recommend that a blanket purchase order be approved and issued to Douglass Safety Systems LLC, a sole source provider, in the amount of \$7,000 for the purchase of ISI self-contained breathing apparatus (SCBA) parts for the Saginaw Fire Department for Fiscal Year 2018.

Justification:

The Saginaw Fire Department uses ISI self-contained breathing apparatus equipment exclusively and Douglass Safety Systems LLC is a sole source provider of ISI parts. These parts are needed in order to maintain and make repairs to the Fire Department’s self-contained breathing apparatus.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds are budgeted and available in the Community Public Safety – Fire, Fire Operation’s Parts and Supplies Account No. 101 3551 742.000.

I recommend that a blanket purchase order be approved and issued to Douglass Safety Systems, LLC, a sole source, in the amount of \$12,000 for the purchase of Micro-Blaze Out Foam for the Saginaw Fire Department for Fiscal Year 2018.

Justification:

The Saginaw Fire Department uses Micro Blaze-Out Foam when fighting structure fires. This foam enhances the penetration of water during extinguishment which increases firefighting efficiency. This product is also biodegradable so it can be used for hazardous waste cleanup. Douglass Safety Systems, LLC is a sole source provider of Micro-Blaze Out Foam.

This vendor meets all requirements of §14.23, “Vendors,” of “Purchasing, Contracting, and Selling Procedure,” of Chapter 14, “Finance and Purchasing,” of Title I, General Provisions of the Saginaw Code of Ordinances O-1.

Funds are budgeted and available in the Community Public Safety – Fire, Fire Operation’s Parts and Supplies Account No. 101 3551 742.000.

From: Timothy Morales, City Manager
Subject: Tire Centers LLC – Apparatus Tires
Prepared by: Christopher Van Loo, Fire Chief

Manager’s Recommendation:

I recommend that a blanket purchase order be issued to Tire Centers LLC, Saginaw, in the amount of \$10,000 for tires for the Saginaw Fire Department’s heavy apparatus fleet for Fiscal Year 2018. Tires purchased will be provided at the State of Michigan MIDEAL bid price.

Justification:

Maintaining proper care of tires on the Saginaw Fire Department apparatus is necessary and critical for the safety of department personnel and maintaining critical service levels for the residents of the City of Saginaw. Due to our limited department staffing and the resulting difficulty transporting apparatus to outside repair facilities, Tire Center LLC’s close proximity to the City of Saginaw has proven very beneficial and cost effective for meeting the department’s routine and emergency needs for apparatus tires.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds are budgeted and available in the Community Public Safety – Fire, Fire Apparatus and Maintenance Division’s Motor Vehicle Repairs Account No.101 3554 931.000.

The maintenance covers the Income Tax software used by the Fiscal Services Department, Income Tax Division, and includes all support and updates to the software for one year.

Justification:

The City annually renews our maintenance and license fees for City Tax Software. Innovative Software Services, Inc. is the proprietary owner of the City Tax income tax software. This annual renewal of maintenance and license fees is for a 12-month period and did not increase from last year.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this payment are budgeted and available in the Technical Services, IS, Operating Services Account No. 658-1720-805.000.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

From: Timothy Morales, City Manager
Subject: Sulfur Dioxide (SO2) Annual
Prepared by: Brian Baldwin, Water and Wastewater

Manager’s Recommendation:

I recommend that the low bid from Alexander Chemical Corp. of Peru, IL be accepted and a purchase order in the amount of \$19,710.00 be issued to them to supply the Wastewater Treatment Division with 30 tons of sulfur dioxide for Fiscal Year 2018; and pending approval of the budget for Fiscal Year 2019, acceptance of their not to exceed bid of \$19,710.00 for 30 tons of sulfur dioxide for FY 2019.

Justification:

The Wastewater Treatment Division uses sulfur dioxide to neutralize the chlorine remaining in the water after disinfection. Removal of chlorine is required under the City’s National Pollutant Discharge Elimination System Permit. On June 20, 2017, the City opened sealed bids for sulfur dioxide. From: Tim Morales, City Manager
Subject: Ordinance Amendment §110.06 – Hearing Officer
Prepared by: Amy Lusk, City Attorney

Manager’s Recommendation:

I recommend introduction of an ordinance to amend Chapter 110, of title XI, “Business Regulations,” by amending §110.06 titled, “Suspension, Revocation, Denial of Renewal of License,” of the City of Saginaw Code of Ordinances, O-1.

Justification:

Under the City’s Code of Ordinances, hearing officers are appointed to determine matters relating to junk vehicles, business licenses, dangerous buildings, and a variety of other subjects. Throughout most of the Ordinances, the person serving in the role of the hearing officer is either specifically designated or appointed at the discretion of the City Manager. This ordinance amendment allows the City Manager to appoint any hearing officer including a disinterested third party, which will be both beneficial for the City and the appellant during the hearing process.

This ordinance has been reviewed by me for substance and the City Attorney as to form. It appears under the regular order of business.

Council Action:

This Council Communication is for explanation purposes of the ordinance to be introduced and enacted according to City Charter, Section 22, titled “Ordinances.”

Moved by Council Member _____, seconded by Council Member _____ to introduce an ordinance entitled and reading as follows:

(D) *Hearing.*

- (1) The City Manager shall appoint a Hearing Officer to conduct a public hearing at which the licensee or permittee shall be granted an opportunity to show cause why the license or permit should not be suspended, revoked, or denied renewal. ~~The Hearing Officer may be the City Manager or any officer or employee of the City appointed or assigned to the Administrative Departments as set forth in Chapter 30 of this code.~~

- (7) Any relevant evidence not otherwise excluded herein shall be admitted. **RELEVANT EVIDENCE** shall be defined, for the purpose of this section, as the type of evidence upon which responsible persons are accustomed to rely in the conduct of serious affairs. Such relevant evidence shall be admitted regardless of whether or not it may be admissible in civil actions in courts of competent jurisdiction.
- (8) Irrelevant and unduly repetitious evidence shall be excluded. Each party shall have these rights:
 - (a) To call and examine witnesses on any matter relevant to the issues of the hearing;
 - (b) To introduce documentary and physical evidence;

The appeal hearing shall be an informal hearing held before a panel consisting of the City Manager or their designee, the affected department head or their designee, and the City Clerk or their designee.
- (3) The factual record made in the hearing, or license or permit application record in case of denial, shall constitute the basic record for the appeal. The appeal panel may, but need not, allow the presentation of additional evidence by a majority vote. Argument as to relevant factual and legal issues shall be permitted. Subject: Purchasing Ordinance Amendment

Prepared by: Yolanda M. Jones, OMB Director, and Amy Lusk, City Attorney

Manager's Recommendation:

I recommend introduction and approval of amendments to Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the City of Saginaw Code of Ordinances, O-1.

Justification:

The federal Office of Management and Budget issued the new Uniform Grant Guidance also known as the "OMB Super Circular" with the intent of streamlining the federal government's management of taxpayer dollars used in partnership with local stakeholders. Overall, the prescribed reforms require non-federal entities, such as the City of Saginaw, to use their own procurement procedures, provided those procedures also conform to the new federal regulations.

To conform with the requirements of the "OMB Super Circular," amendments have been made to the City's Purchasing, Contracting, and Selling Procedures. Notable changes include strengthening of conflict of interest language, as well as limiting the ability to use "local preference" in projects/purchases funded by federal dollars.

This ordinance has been reviewed by me for substance and the City Attorney as to form. It appears under the regular order of business.

SAGINAW-BASED BUSINESS.

(1) The physical and economic relationship to Saginaw determined by evidence of a building or office physically located in the City and the payment of:

- (a) City income taxes on the contractors' net profits; and

It is within the discretion of the department head as to whether a formal written contract or a standardized written purchase order contract is necessary for the purchase of supplies, materials and equipment or for professional or non-professional services to be provided by the contractor. When considering the necessity of a formal written contract, the following may be considered:

- (1) The contract is for a large sum of money;
- (2) The City will incur obligations beyond the payment of the purchase price;

(3) There is a need for a more detailed accountability or description of scope of services by the contractor;

(4) The City may incur certain liability which needs specific insurance requirements; and

(5) More detailed remedies are necessary in the event the contractor breaches any of the terms and conditions of the contract.

§14.21 GENERAL POLICY.

(1) Acquisition of unnecessary or duplicative items must be avoided. Consideration should be given to consolidating or breaking out procurements to obtain more economical purchases.

(B) Professional services as defined in §14.20 are not subject to competitive bidding. Administrative Regulation No. 4-7 shall govern the securing of professional services.

§14.24 BIDS AND BONDS.

(A) *Notices inviting sealed bids.*

(1) Notices inviting sealed competitive bids in all cases where required by this section, state or federal law or regulation, shall be posted and publicly advertised at least five (5) calendar days prior to the final date for submitting bids in the City Clerk’s Office, on the City’s cable channel and website and/or through other alternative electronic bidding resources as deemed by the Purchasing Officer to provide sufficient notification to prospective bidders.

(2) Such notice shall indicate the goods, non-professional services, supplies, materials or equipment desired, or the construction project to be undertaken, the place where bid specifications are available to be obtained, and the date, time and place the bids are due. Bid specifications shall incorporate a clear and accurate description of the

technical requirements for the material, product, or service to be procured, as well as identify all requirements which the bidders must fulfill and all other factors to be used in evaluating bids or proposals.

(3) In all cases where sealed bids are invited, the Purchasing Office shall mail, and/or make available copies of bid forms, sealed bid instructions, and specifications to at least three (3) qualified vendors or contractors where possible in order to obtain competitive bidding. Bid lists shall be maintained by the City Purchasing Officer, or his/her designee, and shall be available for public inspection.

(B) *Items not be subject to competitive bidding.*

(1) The City Council has determined that the following list of goods, services, materials and supplies need not be subject to the competitive bidding process, as it may not be to the City's advantage to contract these services through competitive bidding:

- (a) Advertisements in periodicals;
- (b) Payments to arbitrators;
- (c) Firms providing deposition and court transcript services;
- (d) Dues and subscriptions;
- (e) Medical services;
- (f) Publications and copyrighted materials;
- (g) Conferences, seminars and classes;
- (h) Travel expenses;
- (i) Purchases covered by use of petty cash checks;
- (j) Utility bills, including gas, electric, water, sewage, and local telephone service;
- (k) Television and radio advertisements;
- (l) Fuel purchases;
- (m) Employee benefits payments, including, but not limited to, health, dental, vision and life insurance, pension, etc.; and
- (n) U.S. Postal, United Parcel Service, Federal Express, Airborne, or other delivery services.

(2) For the purpose of this provision, the City Manager may recommend and approve payment and purchase of the above items without submitting proposed invoices for such services to City Council as long as the amounts are a specific category line item in the annual budget approved by City Council, and the City Attorney, or his/her designee, and City Manager have approved the contract as to form and substance.

(C) *Bid, performance and labor and material bonds.*

(1) Except as otherwise required by any applicable law or regulation, any bid in excess of one hundred thousand dollars (\$100,000.00) shall be accompanied by a bid bond, bank money order, certified check, or cashier's check in the amount of five ~~three~~ percent (5%) of the total amount bid.

(2) Except as otherwise required by any applicable law or regulation, a performance bond and a labor and material bond shall be furnished with the contract documents executed by the bidder prior to the award of each contract exceeding fifty thousand dollars (\$50,000.00) for the construction, alteration or repair of any public

building or public work or improvement as provided by MCL 129.201 *et seq.*, and each such bond shall be in an amount equal to the total amount of the contract and executed by the contractor and a corporate surety company authorized to do business in Michigan.

(D) *Disqualification of bidders.*

(1) In addition to any other remedies authorized by law, a bidder may be disqualified from bidding on any City contracts for up to three (3) years by the City Manager if it has been determined that the bidder, after an award of a contract:

- (a) Failed to provide the service or supplies required;
- (b) Provided the service or supplies in an untimely manner causing delays and interference;
- (c) Lacked financial resources and the ability to satisfactorily perform the contract or provide the services or supplies;

(2) The City Manager may determine that the bidder has good cause not to abide by the bid for reasons such as, but not limited to, honest and reasonable mistake, contractual impossibility, **or** fraud or misrepresentation by another.

(3) When the City Manager believes grounds for disqualification exist, a notice shall be sent to the vendor of the proposed disqualification indicating the grounds for disqualification and procedure for requesting a hearing. If the vendor does not respond with a written request for a hearing within twenty (20) calendar days, the City Manager will issue a final disqualification order without a hearing. If a hearing is requested, the City Manager will select a designee for the purpose of taking testimony from the contractor, or any other witnesses, concerning the decision to disqualify said contractor. The recommendation of the designee shall be sent to the City Manager for approval or denial. The decision of the City Manager is final.

(4) Any contractor disqualified a second time for any of the reasons set forth in division (D)(1) above, may be permanently disqualified.

(5) Any contractor disqualified for fraudulent actions, theft or other similar criminal behavior may not be reinstated and may be permanently disqualified.

(6) Such disqualification of a bidding contractor, company, corporation, partnership, or firm, shall also apply to its successors, assigns, officers and/or principals.

(7) In addition to the foregoing, a bidder's bid on any City contract will be disqualified if at the time the bid is received by the City, such bidder is in default to the City. A default is defined as when the City has placed the bidder on notice that moneys are due and owing and the bidder has failed to pay said debt ~~or~~ **or** enter into a payment plan with the City. Failure to file yearly income tax returns for taxable income under one thousand dollars (\$1,000.00) or file an Income Tax Affidavit or failure to file

corporate income tax for City-based businesses, is considered to be a default. A debt that is a subject of an administrative appeal or contested court case is not considered to be in default.

(E) *Form of bids.*

(1) Bids submitted in response to any such notice shall be submitted according to the following instructions or the bid may be disqualified:

(2) The City reserves the right to accept or reject any and all bids, or parts thereof, and to waive any irregularities which do not materially affect the bid document or otherwise conflict with statute or ordinance. **Any rejections of bids shall be made only if there is a sound documented reason for same.**

(3) By signature, the bidder acknowledges that the signer has complete authority to execute the bid on behalf of the bidder and that the bid is genuine and not collusive in any manner; and that no other bidders were improperly induced to refrain from bidding or induced to submit a sham bid; and that the bidder agrees to have withheld from any payment due them, any amounts owed for taxes or other charges due the City of Saginaw; and that successful bidders are subject to mandatory City of Saginaw income tax withholdings.

(4) All bids for supplies, materials, or other commodities necessary for the regular operation of City functions **must** ~~may~~ contain the following language: “The Vendor hereby agrees to maintain the bid price for one year from the date of this bid, and the City reserves the right, in its sole discretion, to purchase such additional supplies as it deems necessary at said rate in an amount not to exceed the total contract price of the original bid.”

The head of the department, or a designated representative, shall also attend the bid opening when a bid is opened which affects his/her department or division. At least three (3) of these persons shall be present at every bid opening.

(G) *Review of bids.*

(1) After opening the sealed bids, the Purchasing Officer, or his/her designee, shall refer the bids to the affected department head and/or his/her designee for tabulation and review. The Purchasing Officer, or his/her designee, may require a reference check for suitability prior to referring the bids to the affected department head.

(2) Upon review, the department head, or his/her designee, shall complete a Bid Evaluation Form and electronically submit the tabulation to the Purchasing Committee for review and approval. The form must contain the following:

Estimated costs for contracts are allowable only to the extent such estimations are allowed under Federal regulation. In no case, may the cost plus a percentage of cost and percentage of construction cost methods of contracting be used.**

(3) The members of the Purchasing Committee will review the recommended bid(s), and electronically give its approval/disapproval response to the Purchasing Officer, or his/her designee, or request further clarification. In the event such explanation cannot be satisfied by electronic means, the Purchasing Committee will

formally meet to further discuss the recommendation. A majority vote of the Purchasing Committee is needed for approval.

(4) Upon approval of the recommended bid(s), the Purchasing Officer, or his/her designee, shall instruct the department head, or his/her designee, to prepare the appropriate Council Communication, which shall be transmitted to the City Manager with his/her recommendation for Council approval.

(5) The bids and the tabulation shall be available for public inspection in the City Purchasing Office.

(H) *Council action on sealed bids.*

(1) Upon receipt of the tabulation of bids and the recommendation from the City Manager, the Council may reject the bids or determine the lowest and best bidder or bidders and award the transaction or transactions accordingly.

(2) In case the Council determines that it is not possible to choose between two (2) or more suppliers of a commodity purchased regularly because the bids are equal, the transaction may be awarded to the bidder who was awarded the last transaction for the same commodity.

(I) *Execution of transaction.*

(1) Upon the approval of a transaction as hereinbefore provided, the Purchasing Officer, or his/her designee, shall execute the transactions in the manner set forth in §14.32, Approval of Purchase Orders and §14.22, Written Contract Policy (where applicable).

(2)(a) All forms of acceptable cash, including bank money orders, certified checks or cashier's checks accepted in accordance with division (C)(1) above will be processed as follows:

1. Funds received from the top three (3) companies/bidders shall be deposited by the Treasurer's Office.

2. Funds received from all other bidders shall be promptly returned to the respective companies following the opening of the bid(s).

3. Upon approval by City Council of the transaction/bid award, the Treasurer's Office will refund all funds held and deposited by way of City check.

(b) If any successful bidder fails or refuses to enter into the transaction as herein provided, the deposit accompanying the bid shall be forfeited and the Council may award the transaction to the next lowest and best bidder, or reject all bids and re-advertise.

(3) All transactions shall be executed by the vendor and Purchasing Officer, or his/her designee. For all transactions two thousand dollars (\$2,000.00) or more, the Purchasing Officer or his/her designee, must first have Council's approval before execution of the transaction.

(4) An executed copy of all written contracts shall be filed with the City Clerk, or his/her designee. An executed copy of all purchase order contracts shall be filed with the Purchasing Officer, or his/her designee.

(5) The department head and/or his/her designee, with the approval of the Finance Director and/or Budget Director, may allow for an increase or decrease in cost not to exceed ten percent (10%) of the total purchase order contract for goods,

nonprofessional services, supplies, materials, equipment, etc., due to unforeseen circumstances, necessity or redundancy not contemplated in the bid. Such increase or decrease shall be mutually agreed upon in writing between the department head, ~~and/or~~ his/her designee (with the approval of the Finance Director and/or Budget Director) and the Contractor. Upon such authorization, a change order shall be processed by the Purchasing Office to effectuate the increase or decrease. Any and all bids/purchase order contracts for goods, non-professional services, supplies, materials, equipment, etc., shall contain the following language:

“The Department Head ~~and/or~~ his/her designee, with the approval of the Finance Director and/or Budget Director, may allow for an increase or decrease of this purchase order contract/written contract by 10% of the total purchase order due to unforeseen circumstances, necessity or redundancy not contemplated in the bid. Such increase or decrease shall be mutually agreed upon in writing with the Contractor. In no event, however, will this purchase order contract/written contract be increased over 10% of the total purchase order without the prior approval of City Council.”

(6) The City Engineer, ~~and/or~~ his/her designee, with the approval of the Finance Director and/or Budget Director, may allow for an increase or decrease in cost not to exceed twenty percent (20%) of the total contract for construction projects for building, altering, repairing, improving or demolishing any public structure or building, or other public improvements of any kind to any public property due to unforeseen circumstances, necessity or redundancy not contemplated in the bid, or an expansion or reduction of the scope of services due to unforeseen conditions. Such increase or decrease shall be mutually agreed upon in writing between the City Engineer, ~~and/or~~ his/her designee (with the approval of the Finance Director and/or Budget Director) and the Contractor. Upon such authorization, a change order shall be processed by the Purchasing Office to effectuate the increase or decrease. Any and all bids shall contain the following language:

“The City Engineer ~~and/or~~ his/her designee, with the approval of the Finance Director and/or Budget Director, may allow for an increase or decrease of this purchase order contract/written contract by 20% of the total purchase order due to unforeseen circumstances, necessity or redundancy not contemplated in the bid. Such increase or decrease shall be mutually agreed upon in writing with the Contractor. In no event, however, will this purchase order contract/written contract be increased over 20% of the total purchase order without the prior approval of City Council.”

(J) *Records.* The Purchasing Officer, or his or her designee, shall maintain records sufficient to detail the history of the procurement.

(K) *Conflict of Interest.* No employee or officer of the City may participate in the selection, award, or administration of a contract if he or she has a real or apparent conflict of interest.

§14.25 PURCHASES UNDER TWO THOUSAND DOLLARS (\$2,000.00).

(A) All public improvements and purchases for goods, non-professional services, professional services, supplies, materials, equipment and construction

projects, the cost of which is less than two thousand dollars (\$2,000.00), may be made in the open market, without official notice and irrespective of the procedure prescribed for purchases over two thousand dollars (\$2,000.00).

(B) All open market purchases shall, whenever possible, be based on at least three (3) competitive bids solicited by telephone, fax, electronic mail, or by direct mail request from prospective vendors. The Purchasing Officer, or his/her designee, shall award open market purchases to the lowest and/or best bidder and shall keep a record of all such purchases and the bids submitted in competition thereon. These records shall be available for public inspection in the City Purchasing Office.

(C) To the extent practicable, such purchases shall be distributed equitably among qualified vendors.

§14.26 PREFERENCE FOR LOCAL BIDDERS.

(A) If the lowest bidder is not a Saginaw-based bidder, as defined above, any Saginaw-based bidder with a bid within five percent (5%) but not more than five thousand dollars (\$5,000.00) of the lowest bid shall be deemed the lowest bidder if it agrees to reduce its bid to match the bid of the lowest bidder. A lowered bid by a Saginaw-based business which is premised upon, in whole or in part, changes to or variances to the bid specifications, contract requirements, or scope of work, shall be considered non-responsive and will not be considered.

(B) If such a Saginaw-based business refuses to reduce its bid to match the lowest bid, then the next lowest responsive and responsible Saginaw-based business with a bid within five percent (5%) but not less than five thousand dollars (\$5,000.00) of the lowest bid shall be deemed the lowest bidder, if it agrees to reduce its bid to match the bid of the lowest bidder.

(C) If no responsive and responsible Saginaw-based businesses within five percent (5%) but not more than five thousand dollars (\$5,000.00) of the lowest bid agree to reduce their bids, then the contract shall be awarded to the person or business with the lowest, most responsive and responsible bid.

(D) In the event of a tie between two (2) or more Saginaw-based businesses, where all other factors are equal, the award of the bid shall be by coin toss conducted by the Purchasing Officer or his/her designee.

(E) No contract awarded pursuant to this section shall be sublet in any manner that permits fifty percent (50%) or more of the dollar value of the contract to be performed by a subcontractor or subcontractors who do not meet the definition of "Saginaw-based **business**."

(F) The section shall not waive or constrain, in any manner, the right and prerogative of the City to reject any and all bids or proposals from any Saginaw-based

business which fails to meet the requirements of any other division of this section, or to reject a bid which is in any way incomplete, irregular, not responsive or not responsible.

(G) Local preferences shall not be applied in cases of procurements funded, even in part, with Federal dollars, unless such procurement is for architectural and engineering services. When contracting for architectural and engineering services, local preference may be a selection criterion provided its application leaves an appropriate number of qualified vendors, given the nature and size of the project, to complete the contract.

§14.27 SOLE SOURCE.

In the event there is only one (1) vendor capable of providing a particular product or service, then the competitive bidding procedures outlined in this subchapter may be waived by the Purchasing Committee. Whenever a department head or his/her designee determines that they must purchase goods or services from a “sole source” vendor, they ~~should~~ **must** document why only one (1) company or individual is capable of providing the goods or services required. This documentation ~~should~~ **will then** be forwarded to the Purchasing Committee for approval.

§14.28 “BRAND NAME OR EQUAL.”

(A) The use of “brand name or equal” specifications may be used when the department head or his/her designee determines that use of a “brand name or equal” specification is in the City's best interest.

(B) The department head or his/her designee shall seek to identify sources from which the designated brand name item or items can be obtained and shall solicit such sources to achieve whatever degree of price competition is practicable. If only one (1) source can supply the requirement, the procurement shall be made under §14.26, Sole Source.

§14.29 RECYCLING.

In recognition of the continuing need to be environmentally responsible, recycled goods should be considered when deemed appropriate and fiscally responsible.

§14.30 COOPERATIVE PURCHASING.

The City Manager or his/her designee, **upon City Council approval**, is authorized to join with other units of government in cooperative purchasing plans when the best interests of the City would be served thereby, ~~upon City Council approval~~.

§14.31 EMERGENCY PURCHASES.

In **the** case of **an** emergency, any department head or his/her designee may purchase or contract directly for any public improvements, goods, non-professional services, supplies, materials, equipment and construction projects, whose immediate procurement is essential to the continuance of the work of the department concerned. Wherever possible, the department head or his/her designee shall contact the Purchasing Office for authorization prior to making any emergency purchases. A record of emergency purchase order authorizations shall be available for public inspection in the Purchasing Office. All purchases or contracts shall be submitted to City Council after the fact for subsequent ratification and/or approval for all purchases two thousand dollars (\$2,000.00) or more.

§14.32 APPROVAL OF PURCHASE ORDERS.

The Purchasing Officer, or his/her designee, shall approve and execute all purchase orders, purchase order contracts, and emergency purchases.

§14.33 INSPECTION OF MATERIALS.

The responsibility for the inspection and acceptance of all goods, materials, supplies, and equipment shall rest with the ordering department.

§14.34 SALE OF PROPERTY.

(A) Whenever any City property, real or personal, is not needed for corporate or public purposes, the same may be sold.

(B) Real and personal property not exceeding one thousand five hundred dollars (\$1,500.00) in value, may, upon approval of the City Manager, either be sold for cash by the Purchasing Officer, or his/her designee, after receiving quotations or competitive bids therefore for the best price obtainable, or traded to the vendor of new equipment replacing it.

(C) Personal property with a value in excess of one thousand five hundred dollars (\$1,500.00), may be sold after advertising and receiving competitive bids, as provided in §14.24, inclusive, of this subchapter, and after approval of the sale has been given by the City Council; or such personal property may be traded to the vendor of the new equipment replacing it, upon approval of the City Manager.

(D) In addition to the provisions above made for the sale of personal property, in general, the City Manager may:

(1) Authorize the sale of goods or supplies which have become obsolete, worn out or scrapped, unsuitable for use by the City, or otherwise lawfully acquired by the City and having no value or use to the City at private or public auction, including on-line auction services. In this regard, the department head, and/or his/her designee, with

the assistance of the Purchasing Officer, or his/her designee, shall explore the various services available and select a public auction service which shall dispose of such personal property in the most efficient and cost effective means for the City. All such sales under this section shall be made to the highest bidder, subject, however, to the published terms of such sale.

(2) Authorize the donation of goods or supplies which have become obsolete, worn out or scrapped, unsuitable for use by the City, or otherwise having no value or use, to one (1) or more charitable organizations having need and/or use of the defunct item(s), giving first preference to those Saginaw-based organizations.

(3) Authorize the transfer of surplus supplies or equipment within any department in order to maximize the use and benefit thereof.

(E) Real property exceeding one thousand five hundred dollars (\$1,500.00), shall be sold in the same manner as personal property over one thousand five hundred dollars (\$1,500.00) in value, unless the Council shall determine that it is clearly to the City's advantage either to sell such property without competitive bidding or to exchange the same for other land required by the City. The sale of land which shall have been approved by three-fifths (3/5) of the City electors voting thereon at any general or special election, and property sold pursuant to federal and state statute and regulations, shall not be subject to the provisions of this subchapter.

(F) Any and all tax reverted properties may be acquired and disposed of pursuant to state law and administrative regulation established by the City Manager.

§14.35 VALIDITY OF CONTRACTS.

The foregoing provisions of this subchapter shall be deemed to establish, in general, the procedure to be followed in purchases and contracts by the City, but shall not be held to be mandatory, except those provisions which may be contained in state or federal law or in the Charter. Any contract approved by the Council and not prohibited by state or federal law or the provisions of the Charter, shall be valid even though one (1) or more of the provisions of this subchapter may not have been observed. Only a majority of City Council can authorize and bind the City for any contract two thousand dollars (\$2,000.00) or more.

This ordinance shall become effective August 3, 2017.

Moved by Council Member _____, seconded by Council Member _____ to adopt an ordinance introduced June 19, 2017, entitled and reading as follows, be taken up and enacted:

O-_____

AN ORDINANCE TO AMEND CHAPTER 71, OF TITLE VII, "TRAFFIC REGULATIONS," BY ADDING A NEW SECTION TITLED, "COST RECOVERY," OF THE CITY OF SAGINAW CODE OF ORDINANCES, O-1.

The City of Saginaw ordains:

Section 1. An ordinance to amend Chapter 71, of Title VII, "Traffic Regulations," by adding a new section titled, "Cost Recovery," of the City of Saginaw Code of Ordinances, O-1, is hereby amended to read as follows:

§71.50 PURPOSE.

The City finds that a significant number of the traffic arrests and traffic accidents in the City involve drivers operating a motor vehicle while under the influence of intoxicants, such as alcoholic beverages or a controlled substance or a combination thereof. Furthermore, the City finds that there is a greater likelihood of personal injury or property damage in accidents involving a driver operating under the influence of intoxicants. As a result, the City finds that a greater operational and financial burden has been placed on the City's public safety services by persons operating a motor vehicle under the influence of intoxicants, and that it is necessary to recover these increased costs of enforcement activities caused by such persons.

§71.51 DEFINITIONS.

For the purpose of this subchapter, the terms listed below shall have the following meanings:

(A) *Emergency response* shall mean:

- (1) The providing, sending, and/or utilizing of public services, police, firefighting, rescue services, and/or any other agents of the City to a motor vehicle accident, or an arrest, in which one or more drivers were operating a motor vehicle under the influence of one or more intoxicants; or
- (2) The providing, sending, and/or utilizing of public services, police, firefighting, rescue services, and/or any other agents of the City to any scene where a person and/or driver becomes helpless, endangered, or otherwise in need of assistance by reason, in whole or in part, of being under the influence of one or more intoxicants; or
- (3) The making of a traffic stop and arrest by a law enforcement officer when the driver is or was operating a motor vehicle while under the influence of one or more intoxicants.

(B) *Expense of emergency response* shall mean the direct and reasonable costs associated with the occurrence of an emergency response. These costs shall include, but are not limited to: all of the salaries, wages (including overtime pay), workers' compensation benefits and fringe benefits of the city personnel responding to the incident or engaged in the investigation, supervision and report preparation associated with the incident; all costs connected with the administration and provision of breathalyzer or chemical tests related to any prosecution of the person involved in the incident; cost of equipment operation and supplies used in responding to the incident; cost of materials obtained directly by the City in relation to the incident; and cost of any contract labor or materials obtained by the City in relation to the incident.

(C) *Operating under the influence of one or more intoxicants* shall mean:

From: Brownfield Redevelopment Authority

Subject: Amend the Brownfield Plan for the Michigan Works Redevelopment Project

Prepared by: Yolanda M. Jones, Office of Management and Budget

Manager's Recommendation:

It is recommended that City Council adopt the resolution approving the amendment to the Brownfield Plan for the Michigan Works Redevelopment Project. Furthermore, City Council authorizes the Mayor and/or his designee to sign all necessary and related documents.

Justification:

On May 24, 2017, the Brownfield Redevelopment Authority approved the amendment to the Brownfield Plan to the Michigan Works Redevelopment Project. The amendment to the brownfield plan is specifically related to the tax capture. Under the original brownfield plan, tax increment revenue (TIR) generated by the project was split between the Downtown Development Authority (DDA) and the Brownfield Redevelopment Authority (BRA). Both the DDA and the BRA agreed to reimburse the developer with TIR generated by project. Since the approval of the reimbursement agreement, both the DDA and the BRA have determined that splitting the TIR prior to the developer reimbursement is an inefficient method of managing the TIR. Both entities now have agreed that all of the TIR created by the project should be transmitted to the BRA, and for the BRA to reimburse the developer for brownfield eligible costs. Furthermore, the DDA has agreed to forgo any tax capture from the eligible property until the brownfield plan TIR reimbursement to the developer is completed.

Council Action:

This Council Communication is for explanation purposes only of the Resolution to be adopted.

WHEREAS, on May 24, 2017 the Brownfield Redevelopment Authority approved an amendment to the Brownfield Plan for Michigan Works Redevelopment Project, which complies with the provisions of Public Act 381 of 1996, as amended; and
