From: Tim Morales, City Manager
Subject: Municipal Employees Retirement System 71st Annual Meeting
Prepared by: Janet Santos, City Clerk

Manager’s Recommendation:

I recommend the appointment of Grace DeLeon as officer delegate and Dennis Jordan as alternate officer delegate, and James Martin as employee delegate and Mike Hagen as alternate employee delegate, to attend the Municipal Employees Retirement System’s (MERS) 71st Annual Meeting.

Justification:

The Municipal Employees Retirement Act provides that an annual meeting shall be held for representatives of participating municipalities for the purpose of selecting nominees for membership on the retirement board and to transact such business as may be required for the proper operation of the retirement system. The 2017 annual meeting has been scheduled for September 21 and 22, at the Detroit Marriott at the Renaissance Center in Detroit.

The officer delegate and alternate officer delegate are recommended based on appointing criteria. The employee delegate and employee alternate delegate are elected in accordance with the Act that requires the City Clerk to hold a secret ballot election for all eligible MERS members. This election has been noticed to the applicable employees and secretly conducted. Upon conclusion, votes were counted, tallied and verified resulting in James Martin receiving the highest number of votes and Mike Hagen the second highest.

From: Timothy Morales, City Manager
Subject: 2017/2018 July Budget Adjustment
Prepared by: Yolanda M. Jones, Office of Management and Budget

Manager's Recommendation:

It is recommended that the 2017/2018 Approved Budget for the listed funds be amended. This adjustment is required to recognize any errors, omissions, or changes that have occurred within the month of July.

Justification:

The 2017/2018 annual budget will be adjusted in accordance with Public Act 2 of 1968, Uniform Budgeting and Accounting Act, the City Charter; and the approved 2018 Budget Resolution, which states that the City Manager must provide budget adjustments to City Council quarterly and/or as needed. As a result of the City Manager's 1st period analysis, the below-mentioned budget adjustments take into consideration any errors, omissions, or changes in the funding levels and expenditures approved by City Council as prescribed by the City Charter.

In review of the General Fund, it is recommended that this fund be increased by \$427,239, from \$31,858,210 to \$32,285,449.

- On July 24, City Council approved the installment purchase agreement for the purchase of a Fire Truck with CSI Emergency Apparatus, LLC. This budget adjustment is to recognize the installment purchase proceeds in the General Fund Revenues – Installment Contract Proceeds Account No (101-0000-671.004) in the amount of \$344,466. In addition, last fiscal year Community Public Safety – Fire had savings set a side in the amount of \$55,000 in order to make a down payment on the new truck and to pay for the city's bond counsel service fees. These funds are recognized as restricted fund balance. Therefore, this budget adjustment recognizes these funds in the current fiscal year. The General Fund Revenues – Use of Fund Equity Account No (101-0000-989.000) should be increased from \$0 to \$55,000. To offset the increase in revenues will be an increase to Community Public Safety – Fire, Fire Operation Division's Professional Services Account No (101-3551-801.000) in the amount of \$5,000 for the city's bond counsel service fees. In addition, the Community Public Safety – Fire Apparatus and Maintenance Division's Vehicle Account No (101-3554-982.000) should be increase in the amount of \$394,466 for the purchase of the truck.
- In 2017, the Department of Public Services continue to work with the Saginaw County Land Bank as it related to providing maintenance services on abandoned

and vacant land bank properties. This budget adjustment recognizes the unspent funds to provide these services. Therefore, the General Fund Revenues – Saginaw County Account No. (101-0000-674.003) should be increased from \$50,000 to \$77,773, which equates to a \$27,773 increase. Furthermore, to offset the increase in revenues, the General Fund – Department of Public Services – Abatement of Nuisance Division’s Employment Agency Fees Account No. (101-7571-804.000) should be increased by the same.

The Capital Improvement Fund (401) should be increased from \$459,516 to \$719,824, which equates to a \$260,308 increase. This increase recognizes restricted funds from FY 2016 that cover the cost of the energy management system which was listed in the 2015 G.O. Limited Capital Improvement Bond (\$260,308). Revenues will be realized in the Capital Improvement Fund Revenue’s Use of Fund Equity Account No (401-0000-989.000). This increase in revenues will be offset by The Capital Improvement Fund – Facilities Division’s Construction Project Account No (401-7575-822.000) by the same amount.

From: Timothy Morales, City Manager
Subject: Buena Vista Township HUD Grant
Prepared by: Leticia C. Trevino, CDBG Specialist

Manager’s Recommendation:

It is recommended that the City Council approve the Grant Environmental Review on behalf of Buena Vista Township as part of their grant application submittal to the U.S. Department of Housing and Urban Development. It is further recommended that the Mayor or his designee be authorized to sign any and all documents required by the U.S. Department of Housing and Urban Development (HUD) on behalf of the City.

Justification

As the Entitlement Community and Responsibility Entity (RE), the City is required through Community Development Block Grant Division (CDBG) to complete an environmental review and ensure that this project is in compliance with all federal guidance. McKenna Associates is assisting Buena Vista with oversight and preparation of all the necessary documentation for our review. Any and all documents required by HUD must be signed by the Mayor or his designee.

The grant that Buena Vista Township has obtained will assist them with completion of a new façade, roof and landscaping at the project site which is the remaining portion of the former Fort Saginaw Mall that is now the Buena Vista Town Center. At this time the site houses the Save-A-Lot that serves as the only grocery store in the area.

This project will further the efforts of Buena Vista to develop this commercial corridor into a vibrant community asset, and regain its status as an attractive gateway from I-75. The following supportive projects funded wholly or in part with the 2010 EDI Special Project Grant.

From: Timothy Morales, City Manager
Subject: CDBG Demolition Program Contractors
Prepared by: Leticia C. Trevino, CDBG Specialist

Manager's Recommendation:

I recommend approval and issuance of a blanket purchase order for demolition services for fiscal year 2017-18. This purchase order will cover costs for individual demolition projects. The amount of the purchase order will not exceed a total of \$466,598.00.

Justification:

On March 14, 2016 and February 20, 2017 the City Manager provided his recommendations for the CDBG, HOME and ESG allocations as suggested by the Human Planning Commission. City Council approved these allocations as presented. This included funding for demolition services.

On September 6, 2016, the City received bids for demolition services. Specifically, it received separate bids for the following demolition services:

1. Inspection of Environmentally Hazardous Materials for Residential and Commercial Demolitions;
2. Removal and abatement of hazardous materials for various buildings in the City; and
3. Demolition of structure including curb replacements and removal of concrete, trees and debris.

The recommendations and bid results were submitted to City Council on September 26, 2016. Each service was evaluated, reviewed and awarded to the firms that demonstrated the ability to meet production goals within timelines, demonstration of the firms understanding of the scope of work, readiness to proceed and availability to complete work assigned, the provision of a letter from the City or County indicating that the firm was a certified HUD Section 3 business concern, price and that the firm was located within Saginaw County. City Council approved the contractors for the three individual demolition services at the September 26, 2016 meeting.

All vendors listed meet all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds are budgeted and available in the Community Development Block Grant Fund Special Project Division's Demolitions Account No. 275-6511-816.000 for \$466,598.00.

Subject: Update and Upcycling Furniture for City Manager’s Office
Prepared by: Debbie Powell, Assistant to the City Manager/PIO

Manager’s Recommendation:

It is recommended to approve a purchase order issued to SPACE, Inc., Midland, MI, a sole source, for an amount not to exceed \$10,000 for the update and upcycling of office furniture and redesign of the City Manager’s Office.

Justification:

The City is seeking to modify the existing office space in the City Manager’s office to provide a more efficient and effective work area for staff, elected officials, and visitors. By utilizing the existing furniture recently acquired from the Junior Achievement Building, the Manager’s Office will reconfigure the current office space and upcycle the furniture. Upcycling or rehabbing the existing furniture will provide a significant savings to the City versus purchasing new office components. Other key objectives of this project are to modernize the office reception area with new chairs and end tables to create a fresh, functional workspace for guests who are waiting in the reception area; update the City Council work area; and improve office aesthetics. SPACE, Inc. is a sole source provider for this area that has the capability to repurpose and upcycle the office workstations for the Manager’s office.

SPACE has provided preliminary budget estimates for this project. The options vary based on the quality and style of the furniture, the quantity of furniture selected, and other design elements. Construction and design oversight is included.

This vendor meets all requirements of §14.23, “Vendors,” of “Purchasing, Contracting, and Selling Procedure,” of Chapter 14, “Finance and Purchasing,” of Title I, “General Provisions” of the Saginaw Code of Ordinances O-1.

Funds for this purchase are budgeted in General Fund, City Manager’s Office, Office Equipment, Account No. 101-1710-981.000. Staff budgeted and planned for the completion of the office rehabilitation project, and it did not increase the approved FY 2018 City Manager Budget.

From: Timothy Morales, City Manager
Subject: FY 2018 Construction Inspection Services Agreements – ROW Division
Prepared by: Beth London, Public Services Department

Manager’s Recommendation:

I recommend that the Professional Engineering Agreements for Construction Inspection Services with the following three firms be approved, and the City Engineer be authorized to approve and issue to them, individual purchase orders of various amounts up to the total Fiscal Year 2018 yearly maximum amount of \$60,000: BM Construction Consultants (BM) of Flint, MI; Spicer Group of Saginaw, MI (In City); and, Surveying Solutions Incorporated (SSI) of Saginaw, MI (Out City). These agreements have been approved by me as to substance and are subject to approval by the City Attorney as to form.

Justification:

Construction inspection services are necessary to provide overall construction project inspection and monitoring for contractor conformance with the project plans and specifications during Fiscal Year 2018, due to additional increased project workload.

On March 3, 2017, the City received technical and cost proposals from six (6) firms to provide as-needed construction inspection services for Fiscal Year 2018. The review panel scored each firm’s technical proposal, which included the qualifications of the team, understanding of the services, and past performance. The technical proposal scores were weighted 60%. Each firm’s cost proposal was scored based on the cost of inspection for 40 hours of straight time and 10 hours of overtime. The cost proposal scores were weighted 40%. The total scores of all six firms are listed below. The City Engineer will distribute work between the three (3) firms.

<u>Firm</u>	<u>Technical Score</u>	<u>Cost Score</u>	<u>Total Score</u>
BM Construction Consultants, Flint MI	68.0	29.2	97.2
Surveying Solutions Incorporated, Saginaw, MI (Out City)	56.0	28.5	84.5
Spicer Group , Saginaw, MI (In City)	61.7	20.7	82.4
Orchard, Hiltz & McCliment, Inc., Saginaw, MI (out-city)	46.0	30.0	76.0
ROWE Professional Services Company, Flint MI	49.3	26.5	75.8
Wade Trim, Inc., Bay City, MI	48.0	23.3	71.3

In order to provide flexibility and receive the best inspection services for the type of construction work proposed, the Engineering Division plans to use the top three scoring firms for construction inspection in FY 2018.

BM Construction Consultants, Surveying Solutions Incorporated, and Spicer Group meet all the requirements of §14.23, "Vendors", of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing", of Title 1, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for these construction inspection services are available in the Major Street Fund - Street Project Division's Professional Services Account No. (202-4614-801.000).

Justification:

On June 20, 2016 City Council approved the annual supply of topsoil (3,770 tons) per year through Maintenance and Services Division.

Throughout the year, Cemeteries Division has the need of top soil to be delivered in order to complete the process of finishing off burial graves at the municipal graves owned by the city. Bourdow Contracting has agreed to holding the unit cost of \$10.45 cost/ton for screened top soil to allow the Cemeteries Division to purchase under the original bid.

Bourdow meets all requirements of §14.23, “Vendors”, of “Purchasing, Contracting and Selling Procedure,” of Chapter 14, “Finance and Purchasing, of “Title 1, “General Provisions” of the Saginaw Code of Ordinances O-1.

Funds for these services are budgeted in the General Fund - Department of Public Services - Cemeteries Division’s Streets and Roads Materials Account No. 101-1747-743.000.

Subject: Maintenance and Service – Two Replacement Pickup Trucks

Prepared by: Don Riley, Public Services Department

Manager's Recommendation:

I recommend that a purchase order be approved and issued to Todd Wenzel Buick GMC of Westland, MI at the State bid price of \$54,485.20 for the purchase of Two (2) 2018 GMC Sierra 2500HD Pickup trucks equipped as specified for the Maintenance and Service Division.

Justification:

The Maintenance and Service Division has budgeted in fiscal year 2018 to replace a 1998 GMC 1/2 ton pickup and a 2004 Chevrolet 1/2 Ton pickup with over 139,000 and 99,000 miles respectively, that were scheduled for replacement in 2005 and 2011. These units will be replaced with two (2) new fully equipped 2018 GMC Sierra 2500HD Pickup trucks equipped as specified at a cost of \$27,242.60 each. It is expensive to maintain these trucks in daily use condition due to extensive rust and fatigue to the body, frame, and driveline, along with mechanical and electrical issues. These trucks are used daily and required for emergency situations in the maintenance and repair of the City of Saginaw's water and sewer infrastructure system that serves Saginaw, parts of Bay, and Tuscola Counties. Operating efficiency, operator safety, and loss of productivity due to down time contribute to the need to replace this equipment. This purchase will be made using State bid pricing.

Todd Wenzel Buick GMC meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this purchase are available in the Water Operations and Maintenance Fund – Surplus Division's - Vehicles Account No. 591-4740-982.000 (\$27,242.60), and the Sewer Operations and Maintenance Fund - Surplus Division's - Vehicles Account No. 590-4840-982.000 (\$27,242.60).

Subject: Right of Way Division – Replacement Hook Load Plow Truck with Salter

Prepared by: Don Riley, Public Services Department

Manager’s Recommendation:

I recommend that purchase orders be approved and issued to the two following vendors: Tri County International Trucks, Dearborn, MI at the State bid price of \$114,650 for the purchase of a 2018 International 7600 SBA 6X4 Cab and Chassis; and, Truck and Trailer Specialties, Inc. Dutton, MI at the State bid price of \$140,450 for hook loader equipment installed, to include plowing, salting and dump body attachments.

Justification:

The Streets Section of the Right of Way Division is replacing a 2000 Sterling 7500 dump truck with over 96,200 miles used for hauling Street Sweeper debris that was scheduled for replacement in 2010 and moving a 2002 GMC 7500 plow truck with salter to replace a 1996 F Series dump truck used for brush collection operations with over 78,000 Miles that was scheduled for replacement in 2006. They each have extensive wear, rust, corrosion, and fatigue to the bodies, wiring, frames, and drivelines, along with mechanical issues that make these units expensive to maintain in a daily use condition. Operating efficiency, operator safety, and loss of productivity due to down time contribute to the need to replace these pieces of equipment. The 2002 GMC is one of twelve front line plow and salt trucks, which must be maintained in a ready condition as they are relied upon during snow events, to maintain the City's over 300 lane miles of paved streets and state highways. Further uses include hauling and pulling various materials and support equipment. Due to the versatility of this Hook loader equipped tandem axle unit the department is able to replace these two trucks with one unit for overall efficiency and long term cost savings. This purchase will be made using State bid pricing.

These vendors meet all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this purchase are budgeted in the Major Street Fund - Routine Maintenance Division’s - Vehicle Account No (202-4651-982.000) in the amount of \$100,000, the Major Street Fund - Winter Maintenance Division’s - Vehicle Account No (202-4655-982.000) in the amount of \$92,600 as well as in the Sewer Operations and Maintenance Fund – Surplus Division’s - Vehicle Account No (590-4840-982.000) in the amount of \$62,500.

I recommend the low bid be accepted and a blanket purchase order be approved and issued to Bell Equipment Co., Lake Orion, MI, in the amount of \$17,810.00 for various sweeper brooms for inventory for the Motor Pool Operations FY 2018. The following is a listing of the comparable bids received:

<u>Vendor</u>	<u>FY 2018</u>	<u>FY 2019</u>	<u>2-Year Total</u>

Funds for this purchase are budgeted in the Motor Pool Operation Fund – Garage Operations Division's, Motor Vehicle Supplies Account No. 661-4481-737.000, and will be accounted for in the Motor Pool Operation Fund – Garage Parts Inventory Account No. 661-0000-110.001 (\$17,810.00) for FY 2018. Subject: Approval of Letter of Agreement with Saginaw Arcadea, LLC

Prepared by: John C. Stemple, Chief Inspector and Amy Lusk, City Attorney

Manager's Recommendation:

I recommend that the City approve the Letter of Agreement with Saginaw Arcadea, LLC, for the transfer of ownership of 124-126 N. Washington Avenue. The agreement has been approved by me as to substance and the City Attorney as to form.

Justification:

On May 16, 2016, the wall of the building located at 124-126 N. Washington Avenue collapsed into the WNEM employee parking lot. This collapse created a significant hazard for adjacent property owners, as well as those utilizing the WNEM lot.

Due to the imminent danger that this building posed to the general public, the City of Saginaw took immediate steps to remove all portions of the building that were unstable, as well as construct and re-support building structural elements that were damaged due to the collapse, otherwise rendering the building safe.

The cost of these improvements totaled \$257,667.88, and an invoice was sent to the property owner, Saginaw Arcadea, LLC, on or about May 3, 2017. To date, the invoice remains unpaid, and the amount owed will lien to the property taxes. If those taxes remain unpaid, the property would ultimately be foreclosed upon. However, that process takes several years.

Saginaw Arcadea, LLC, has agreed to transfer ownership of the property to the City of Saginaw in exchange for forgiveness of the debt. Taking ownership of the property now would allow the City of Saginaw to take measures necessary to avoid further deterioration of the structure, as well as market the property.
