Subject: Council Rules of Order Amendment

Prepared by: Janet Santos, City Clerk

Manager's Recommendation:

We recommend introduction of the proposed amendments to the Rules of Order of the Council of the City of Saginaw.

Justification:

The changes proposed update the Order of Business to include items already a part of the Agenda.

According to Section 17: Amendments, "these rules may be amended by the affirmative vote of six Council members, notice having been given in writing of proposed amendments at a previous meeting." Copies of the proposed amendments have been provided to Council for review. Approval consideration will be on the September 24, 2018 agenda.

Council Action:

Motion to proceed with the recommendation of the Mayor and Mayor Pro Tem.

From: Timothy Morales, City Manager
Subject: September Budget Adjustment
Prepared by: Yolanda M. Jones, Office of Management and Budget

Manager's Recommendation:

I recommend approval of the amendments to the 2018/2019 Approved Budget for the listed funds. This adjustment is required to recognize any errors, omissions, or changes that have occurred within the month of September.

Justification:

The 2018/2019 annual budget will be adjusted in accordance with Public Act 2 of 1968, Uniform Budgeting and Accounting Act, the City Charter; and the approved 2019 Budget Resolution, which states that the City Manager must provide budget adjustments to City Council quarterly and/or as needed. As a result of the City Manager's monthly analysis for September, the below-mentioned budget adjustments take into consideration any errors, omissions, or changes in the funding levels and expenditures approved by City Council as prescribed by the City Charter.

In review of the General Fund, it is recommended that this fund be increased by \$218,241, from \$34,762,211 to \$34,980,452.

- As the City completed the close out of the LDFA districts and refunded captured taxes to the appropriate taxing entities, the City itself received a total of \$601,794. This is higher than the \$396,230 that was expected and budgeted. Therefore, the General Fund Revenues, Refund of Capture Account No. 101-0000-402.002 should be increased by \$205,564. To offset this amount will be increases to fund equity in the amount of \$191,863 and an increase to the Other General Fund, Operating Transfers Division, Capital Project Fund Account No. 101-9660-999.401 in the amount of \$13,701. This is to pay for the General Fund's share of an electronic sign for City Hall.
- In addition, a budget adjustment is requested to carry forward purchase order 0502326 to Tri-Valley Construction, LLC for sidewalk repairs. This purchase order is shared between General Fund, Major Street and Local Street Funds. General Fund expenditures will be recognized in the Department of Public Services, Engineering Administration Division, Construction Project Account No 101-4611-822.000 in the amount of \$12,677. An appropriation of fund balance will be utilized to offset the increase in expenditures.

The Major Street Fund (202) should be increased from \$7,051,789 to \$7,056,606, which is a \$4,817 increase. This increase is to recognize the carry forward of purchase order 0502326 for sidewalk repairs citywide. Expenditures will be recognized in the Major

Street Fund, Street Project Division, Construction Project Account No 202-4614-822.000. To offset this expenditure will be an appropriation of fund balance.

The Local Street Fund (203) should be increased from \$2,114,646 to \$2,122,504, which is a \$7,858 increase. This increase is to recognize the carry forward of purchase order 0502326 for sidewalk repairs citywide. Expenditures will be recognized in the Local Street Fund, Street Project Division, Construction Project Account No 203-4614-822.000. To offset this expenditure will be an appropriation of fund balance.

The Rubbish Collection Fund (226) should be increased from \$4,595,436 to \$4,606,410. This is an increase of \$10,974. This budget adjustment recognizes revenues received as a reimbursement for damage to a packer truck that was involved in an incident. This revenue in the amount of \$10,974 will be recognized in the Rubbish Collection Fund, Reimbursements Account No. 226-0000-676.000. To offset these revenues will be an increase in the Rubbish Collection Fund, Composting Division, Construction Projects Account No. 226-4587-822.000.

The Downtown Development Authority – 2011 Fund (259) should be increased from \$172,311 to \$187,114, an increase of \$14,803. This increase is to carry forward \$13,803 from FY 2018 to pay for invoices received as part of the Façade Grant program as well as to recognize a micro grant of \$1,000 from the East Michigan Council of Governments to support the Walk Your City Saginaw signage project. The increases will be recognized in the DDA 2011 Fund, DDA 2 Mill Levy Division, Grant Disbursement Account No. 259-1777-965.000 in the amount of \$14,803. These increases will be offset by an increase in use of fund equity of \$13,803 and in the DDA 2011 Fund, Local Grants Account No. 259-0000-580.004 in the amount of \$1,000.

The Police ELERV Grant Fund (267) should be increased by \$100 from \$25,000 to \$25,100. Community Public Safety - Police received a donation from the Altrusa International of Saginaw MI Foundation for the Mobile Library Program in order to purchase additional books. The revenue will be recognized in the Police ELERV Grant Fund, Police Donations Account No. 267-0000-674.009 and expenditures will be recognized in the Police ELERV Grant Fund, Parts and Supplies Account No. 267-3341-742.000.

The TARP Blight Elimination Grant Fund (274) should be increased from \$184,326 to \$368,546, an increase of \$184,220. This increase is to acknowledge the balance of the Blight Elimination Grant that will be spent in the fiscal year. To offset the increase in revenues will be an increase to the TARP Blight Elimination Grant Fund, Blight Elimination II Division, Professional Services Account No 274-3869-801.000 in the amount of \$25,000 and Demolitions Account No. 274-3869-816.000 in the amount of \$159,220.

The Capital Projects Fund (401) should be increased from \$539,516 to \$569,516, an increase of \$30,000. The City is in the process of purchasing an electronic sign for City Hall. Since the sign will be utilized by all, the cost will be split among the General, Major Street, Local Street, Rubbish Collection, Sewer and Water Operations and

Maintenance, and Technical Services – Information Services Funds. All of these funds will complete an operating transfer to the Capital Projects Fund, from which the sign will be purchased. Thus, an increase of \$30,000 will be recognized in the Capital Projects Fund, Facilities Division, Fixtures Account No. 401-7575-985.000 and will be offset by an increase in the Capital Projects Fund Revenues', Transfers From Other Funds Account No. 401-0000-989.000 by the same amount.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Marketing Professional Service Agreement
Prepared by: Yolanda M. Jones, Office of Management and Budget

Manager's Recommendation:

I recommend the approval of a professional services agreement with AMPM for \$20,000 for FY 2019 through FY 2021, totaling \$60,000, for marketing and communication services.

Justification:

In December 2017, city council approved a contract with AMPM to provide marketing and communication services and to create a strategy in accordance with the Redevelopment Ready Communities program. The marketing strategy was to identify and promote community assets. It would include strategies to attract businesses, talent and real estate development, and strive to strengthen the image of the community while heightening awareness and promoting the city.

On August 13, 2018, AMPM presented their findings and recommendation to city council. As part of the presentation, actions and implementation steps were created. This professional services agreement provides funding to continue with the implementation of these next steps and provides for marketing and communication services for the city.

This vendor meets all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds are budgeted in the General Fund, Offices of General Government, Office of Management and Budget, Professional Services, Account No. 101-1735-805.000 in the amount of \$10,000 and the Downtown Development Fund – 2011, DDA 2 Mill Levy Division, Professional Services Account 259-1775-801.000 in the amount of \$10,000. Funds will be budgeted in these same accounts for FY 2020 and 2021.

I have approved the professional services agreement as to substance and the City Attorney approves as to form.

Council Action:

Motion to approve the recommendation of the City Manager.

Subject: Customer Accounting Renovations
Prepared by: Lynnette Hagen, Customer Accounting

Manager's Recommendation:

I recommend the approval of a purchase with SPACE, Inc. for an amount not to exceed \$26,000 for the professional services associated with the renovation of the Customer Accounting Division.

Justification:

The budget for Fiscal Year 2019 included the addition of a Utilities Collection Coordinator for the Customer Accounting Division. Also, as the recipient of the most incoming calls to the City, the upcoming changes to the Call Center include moving one of the two part-time employees into the Customer Accounting Division. With the addition of two new employees renovations are required to accommodate the additional work stations needed within the same space.

SPACE, Inc. has provided a cost-saving plan including construction and design oversight, which reutilizes existing panels, pedestals, storage, electrical components and connections by resurfacing, repainting and refurbishing current items in the division. The remaining components required will be purchased at State of Michigan contract prices. The existing components not used in the renovations will be set aside for refurbishing as needed in the future.

Subject: Purchase of Vinyl Sign and Cold Plastic Pavement Marking Material
Prepared by: Beth London, Public Services Department

Manager's Recommendation:

I recommend the approval of a purchase with 3M, for \$17,366.60 for vinyl sign material and cold plastic pavement marking tape for the Traffic Maintenance Section, Right of Way Division.

Justification:

The Traffic Maintenance Section maintains and installs traffic signs and pavement marking symbols, crosswalks and stop bars throughout the City of Saginaw. The vinyl sign material is used to fabricate a variety of traffic signs. The cold plastic pavement marking tape is used to install arrow symbols, only lettering, crosswalks, stop bars and railroad crossing symbols. Subject: Radar Level Meters
Prepared by: John Frolo, Water and Wastewater

Manager's Recommendation:

I recommend approval of a purchase with SW Controls, Inc., a sole source, for \$7,510.00 for five radar level detection units for the Remote Facilities Division.

Justification:

The City operates seven retention and treatment basins and six sewage pumping stations. Each location requires level monitoring and control; many have multiple level meters installed. Due to past experience, Vega radar meters have been our preferred choice for level measurement because of their accuracy and durability. They have been used to replace other older, failing units and have proven to be extremely reliable. We currently have 3 units requiring replacement and will use two units as emergency spares.

On August 10, 2018, we received a quote from SW Controls, Inc., the manufacturer's representative for Vega in our area and the sole source for their products.
