From: Timothy Morales, City Manager
Subject: Purchase Dump Trucks
Prepared by: Don Riley, Public Services Department

Manager's Recommendation:

I recommend approval of the purchase with Tri County International Trucks for \$274,173 for three 2019 International HV607 SBA Cab and Chassis, and with Truck and Trailer Specialties, Inc. for \$104,945 for equipment installation.

Justification:

The Maintenance and Service Division has budgeted in FY 2019 to purchase three 2019 International HV607 SBA dump trucks. These are front line trucks, used daily and required for emergency situations in the maintenance and repairs of utilities in the City on over 600 miles of water and sewer main and out of City on over 110 miles of transmission mains that serve Saginaw, parts of Bay, and Tuscola Counties. In June 2018, the State of Michigan adopted the new Lead / Copper Rule and as part of that rule the City must have a verified material inventory of all water service connections and water extensions connected to its distribution system by the year 2025, these trucks will also be used in support of these operations. This purchase will be made using State bid pricing.

These vendors meet all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds are budgeted in the Water Operations and Maintenance Fund, Water Surplus, Sewer Division's Vehicles Account No. 591-4740-982.000 \$189,559.00 and the Sewer Operations and Maintenance Fund, Sewer Surplus, Sewer Division's Vehicles Equipment Account No. 590-4840-982.000 \$189,559.00.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Douglas Schenck (Center Street) Bridge Lighting
Prepared by: Beth London, Public Services Department

Manager's Recommendation:

I recommend the approval of the Authorizations for Change in the Standard Street Lighting Contract and the Bill of Sale with Consumers Energy Company in the amount of \$1.00 for accepting ownership of the lighting along the Douglas Schenck (Center Street) Bridge, including the bridge approaches, for the Engineering Section, Right of Way Division.

Justification:

In 1978, the City of Saginaw and Consumers Energy entered into a standard street lighting contract whereas any alterations to the street lighting system require an Authorization for Change be approved by the City Council and submitted to Consumers Energy. These changes are then removed or added to the corresponding street light bill. City staff has determined the contract will need to be amended to reflect the changes listed on the Resolution.

The street lights and poles on the Center Street Bridge and approaches are owned and maintained by Consumers Energy. Consumers has replaced all damaged light poles and repaired the lighting system so that all lights are working. Consumers Energy has agreed to sell the lighting system to the City for one dollar \$1.00. The City will be responsible for all maintenance in the future. The energy cost will be removed from the Consumers Energy Owned and Maintained street lighting bill and placed on to the City's Unmetered street lighting bill.

The equipment, material, light types, and energy usage are listed on the resolution.

Funds are budgeted in the General Fund, Department of Public Services, Street Lighting Division's Utilities Account No. 101-4620-920.000 \$1.00.

I have approved the Authorizations for Change and Bill of Sale as to substance and the City Attorney as to form.

Council Action:

This Council Communication is for informational purposes of the resolution to be adopted.

CREATION OF THE SAGINAW WATER SYSTEM ADVISORY COUNCIL

Moved by Council Member _____, seconded by Council Member _____ to adopt the following resolution:

WHEREAS: the Department of Environmental Quality has required that our water system create a Water System Advisory Council to advise and assist with the creation of materials and plans to educate our community about the dangers of lead in drinking water as a result of the recently enacted changes to the lead and copper provisions of the administrative rules promulgated under the Michigan Safe Drinking Water Act, 1976 PA 399, as amended (Act 399); and

NOW THEREFORE BE IT RESOLVED, Saginaw’s Water System Advisory Council is hereby created as set forth below:

- A. It shall be comprised of five (5) members appointed by the Mayor subject to approval of the City Council;
- B. The members shall have a demonstrated interest in or knowledge about lead in drinking water and its effects, and a least one member shall be a local resident who does not formally represent the interests of any incorporated organization;
- C. The term of its members shall be four years;
- D. Its members shall receive no compensation for their services.
- E. A vacancy on it shall be filled in the same manner as the original appointment, and a person appointed to fill a vacancy shall serve for only the remainder of the unexpired term;
- F. Its first meeting shall be called by the City Manager or designee, and after its first meeting, it shall meet at least once annually;
- G. Its members shall select a Chairperson and shall appoint such other officers as deemed necessary and appropriate;
- H. It shall establish its own bylaws and procedures;
- I. A quorum of its members shall be a majority of those appointed and serving;
- J. It shall constitute a commission that serves in an advisory capacity to City Council, and its Chairperson or designee shall be responsible to communicate its recommendations to City Council;
- K. Its meetings shall be subject to Michigan’s Open Meetings Act; and its records shall be subject to Michigan’s Freedom of Information Act; and
- L. It shall have such other purposes and responsibilities as established by State law or regulation.

BE IT FURTHER RESOLVED, should the State law or regulations requiring the Water System Advisory Council be repealed, deemed invalid by a Court or other administrative action, or no longer apply to the City based on current population or other criteria, the Water System Advisory Council shall immediately cease to operate or exist.

BE IT FURTHER RESOLVED, City Council instructs the City Manager and his staff to prepare an ordinance for Council’s consideration and adoption that substantially corresponds to the terms set forth herein.
