From: Timothy Morales, City Manager
Subject: Increase Blanket Purchase Order for Vehicle Parts
Prepared by: Don Riley, Public Services Department

Manager's Recommendation:

I recommend the approval to increase blanket purchase orders issued for FY 2019 to various vendors by \$25,500, for a new total of \$82,000, for vehicle parts and supplies for the Garage Division.

Justification:

On July 9, 2018, the listed purchase orders below were approved to vendors in amounts totaling \$56,500. The City's Municipal Garage requires parts sold by these vendors for various repairs of fleet vehicles from July 1, 2018 to June 30, 2019.

In FY 2018, the garage spent \$50,328.45 on Tires from Tireman Auto Service. In the current fiscal year we have spent \$31,935.06, leaving a balance of \$13,064.94. The garage has replaced multiple large tires on packer trucks, loaders, and plow trucks due to wear. Tireman provides tires for all vehicles used by the City of Saginaw at MiDeal contract pricing.

In FY 2018, the garage spent \$4,476.50 on parts from Truck and Trailer. In the current fiscal year we have spent \$4,385.57, leaving a balance of \$2,114.43. The garage purchases parts for 7 and 10 yard dump trucks, and plow trucks from this vendor. Truck and Trailer provides the needed parts for these trucks at MiDeal contract pricing.

In FY 2018, the garage spent \$3,848.33 on parts from Wilson Ford. In the current fiscal year we have spent \$3,494.37, leaving a balance of \$1,905.63. As warranties continue to run out on the vehicles purchased more than 3 years ago, it is expected that we will make more purchases with this vendor. The garage purchases Original Equipment parts for police patrol cars and pickup trucks used by Maintenance and Service from this vendor.

There are no feasible means to predetermine what parts will be needed to be replaced on these vehicles. To issue individual purchase orders is costly and administratively time consuming. The Garage Division's personnel obtain price quotes for parts and services awarding purchases to the lowest and best vendor for each item. The original blanket purchase order (PO) information is as follows:

<u>PO Number</u>	<u>Vendor</u>	<u>Current PO Amount</u>	<u>Recommended Increase</u>	<u>New Total PO Amount</u>
0503771	Tire Man Auto Service	\$45,000	\$15,000	\$60,000
0503797	Truck And Trailer, Lake Orion	\$ 6,500	\$ 7,500	\$14,000
0503775	Wilson Ford Lincoln	<u>\$ 5,400</u>	<u>\$ 2,600</u>	<u>\$ 8,000</u>
	Total	\$56,500	\$25,500	\$82,000

These vendors meets all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds are budgeted in the Motor Pool Operation Fund, Garage Operation's Division's Motor Vehicle Supplies Account No. 661-4481-737.000, \$25,500, and will be accounted for in the Motor Pool Operation Fund, Inventory Account No. 661-0000-110.001.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Increase Blanket Purchase Order for Motor Pool Supplies
Prepared by: Don Riley, Public Services Department

Manager's Recommendation:

I recommend the approval to increase a blanket purchase order issued for FY 2019 to Larry's Auto Parts by \$2,100, for a new total of \$4,000, for vehicle supplies for the Garage Division.

Justification:

On July 1, 2018, purchase order 503783 was created for Larry's Auto Parts in the amount of \$1,900. The City's Municipal Garage requires supplies and small equipment sold by Larry's Auto Parts to be used in the support of the maintenance and repair of the City's fleet.

In FY 2018, the garage spent \$4,161.95 on supplies for the Garage. In the current fiscal year we have spent \$1,362.73, leaving a balance of \$537.57. The garage purchases supplies such as batteries, gloves, drain pans, floor dry, etc.

There are no feasible means to predetermine what supplies will be needed for repairs or replacements within the motor pool garage. To issue individual purchase orders is costly and administratively time consuming. The Garage Division's personnel obtain price quotes for parts and supplies, awarding purchases to the lowest and best vendor for each item. The original blanket purchase order (PO) information is as follows:

<u>PO Number</u>	<u>Vendor</u>	<u>Current PO Amount</u>	<u>Recommended Increase</u>	<u>New Total PO Amount</u>
0503783	Larry's Auto Parts	\$1,900	\$2,100	\$4,000

This vendor meets all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds are budgeted in the Motor Pool Operation Fund, Garage Operation's Division's Parts and Supplies Account No. 661-4481-742.000, \$2,100.00.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Increase Blanket Purchase Order
Prepared by: Don Riley, Public Services Department

Manager's Recommendation:

I recommend the approval to increase a blanket purchase order issued for FY 2019 to Engel's Auto Body by \$4,000, for a new total of \$17,000, for vehicle services for the Garage Division.

Justification:

The City's Municipal Garage requires the services of Engel's Auto Body for various repairs of fleet vehicles pertaining to damage from vehicle accidents, fatigue and corrosion from July 1, 2018 to June 30, 2019.

In FY 2018, the garage spent \$7,505.78 with Engel's Auto Body. In the current fiscal year we have spent \$7,472.75, leaving a balance of \$5,527.25. After receiving competitive quotes for each incident the garage has sent multiple vehicles to Engel's Auto Body for body repairs; and as we approach the winter months, we anticipate a further need for these services.

There are no feasible means to predetermine what services will be needed. Issuing individual purchase orders (PO) is costly and administratively time consuming. The Garage Division's personnel obtain price quotes for parts and services awarding purchases to the lowest and best vendor for each item. The original blanket purchase order (PO) information is as follows:

<u>PO Number</u>	<u>Vendor</u>	<u>Current PO Amount</u>	<u>Recommended Increase</u>	<u>New Total PO Amount</u>
0503788	Engel's Auto Body	\$13,000	\$ 4,000	\$ 17,000

This vendor meets all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds are budgeted in Motor Pool Operation Fund, Garage Operation's Division's Motor Vehicle Repairs Account No. 661-4481-931.000, \$4,000.00.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager

Manager's Recommendation:

I recommend approval of a purchase with Todd Wenzel Buick GMC for \$25,370.70 for a 2019 GMC Sierra 1500 Pickup truck equipped as specified for the Maintenance and Service Division.

Justification:

The Maintenance and Service Division has budgeted in FY 2019 to replace a 2006 GMC 1/2 ton pickup with over 91,000 miles scheduled for replacement in 2016 that will be sold at auction. This truck has extensive rust and fatigue to the body, frame, and driveline, along with mechanical and electrical issues making it expensive to maintain in a daily use condition. This truck is used daily and required for emergency situations in the maintenance and repair of the City of Saginaw's, water and sewer infrastructure system that serves Saginaw, parts of Bay, and Tuscola Counties. Operating efficiency, operator safety, and loss of productivity due to down time contribute to the need to replace this vehicle. The Motor Pool operation changes and repairs over 500 tires of various sizes per year. This type of equipment assists in completing this safely and efficiently. Each of the models quoted meets all specifications requested and the department has evaluated each of these units and determined that each would fill the needs of the department. This purchase will be made using the manufacturer’s direct municipal quote. The following is a listing of the quotes received:

Subject: 3-Year Extension of Cathodic Protection Maintenance Services
Prepared by: Theodore Bomba, Water and Wastewater

Manager's Recommendation:

I recommend the approval of a purchase with Corrpro Companies, Inc. for a total of \$5,130.00 for FY 2019 through FY 2021 for maintenance services of the cathodic protection systems in the Water Treatment Division.

Justification:

On August 11, 2015, two qualified vendors submitted bids in response to the City of Saginaw's request for Proposal #1316-15 for three years of cathodic protection systems maintenance services consisting of maintenance of cathodic protection systems in the ground storage reservoirs at two booster stations and the elevated wash water tower at the water treatment plant. Cathodic protection systems extend the life of metallic components and provide for more efficient use of existing infrastructure by effectively reducing the capital outlay necessary for repair and replacement. The bid was awarded to Corrpro Companies, Inc. The bid pricing ended on June 30, 2018. Corrpro has agreed to extend the previous bid pricing for FY 2019 through FY 2021. The extension is supported due to the fact that the pricing will remain unchanged, Corrpro has consistently been awarded the bid and the previous sole competitor is no longer in business.

This vendor meets all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Ratification – Emergency Service on Pump Motors #2 and #4
Prepared by: Paul D. Reinsch, Water & Wastewater

Manager's Recommendation:

I recommend ratification of a purchase with York Electric for an amount not to exceed \$75,000.00 for the repair of two pump motors for the Water Treatment Division.

Justification:

On October 23, 2018, purchase order number 504831 was issued to York Electric when problems were experienced while testing pump motors at the plant. With the recent repair of high service pump #1 on September 5, 2018, it was prudent to have other synchronous motors of similar age tested. Synchronous motors provide service at a lower electrical cost, making it important that the pump motors be repaired and returned to service as quickly as possible. The full test could not be completed on either pump due to failure of the initial insulation test. Continued testing could have resulted in complete failure of motor windings. We removed pump motor #4 for shipment to York Electric for full cleaning, testing and a quote for repair. Once repairs to #4 are complete, we will remove #2 for the same process. Repairs are expected to be similar to the complete rewind and repair of #1 at \$31,000.00. Costs could be more or less, depending on level of repair needed. New synchronous motor estimates are from \$80,000.00 to \$100,000.00.

This vendor meets all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds are budgeted in the Water Operations and Maintenance Fund, Treatment and Pumping Division's Repairs and Replacements Account No. 591-4730-974.000.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Financial Transaction Device Payment Acceptance
Prepared by: Lori Brown, Finance Director

Manager's Recommendation:

It is recommended that the City adopt a resolution establishing acceptance of payments by financial transaction devices.

Justification:

Public Act 280 of 1995 (MCL §129.221-129.224) authorizes the acceptance of payment by financial transaction device, such as credit card, debit card or electronic funds transfer cards for amounts collected by the City, provided the same is authorized by the local unit's governing body.

On March 7, 2011, City Council approved an agreement with Official Payments Corporation to accept credit and debit card transactions and began accepting those types of financial transactions. On January 12, 2015, City Council approved an agreement with Point and Pay, LLC and they remain our current vendor for credit and debit card transactions. Although the City has a Council approved agreement for credit card transactions, the City does not have a resolution approving the acceptance of such payments.

Approval of the resolution ensures the City is in compliance with state statute and demonstrates the City's continued intent to be transparent and fiscally responsible.

Council Action:

This Council Communication is for informational purposes of the resolution to be adopted.
